1. YOGA DAY

2021 International Day of Yoga, to be observed today, i.e. Monday (June 21), carries the theme "Yoga for well-being", much relevant for our times in a society still recovering from the impact of the coronavirus disease (Covid-19) pandemic. The Covid-19 plight was not just a physical crisis, it also left lasting impacts on mental health, with many left in psychological suffering, depression, and anxiety dealing with the pandemic-necessitated restrictions and loss. Yoga can come to the help of people dealing with such crises, the United Nations explained on its website since the message of the practice is to promote both physical and mental health.

National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha celebrated International Yoga Day on 21st June, 2021 at 7.00 am to 7.45 am. The common Yoga protocol were performed individually or with family within the confines of their home on 21st June, 2021 at 7.00 am to 7.45 am. The students participated in Yoga Day celebration and submitted photo and recordings of their Yoga performance at home to NSS programme officer Dr. N. A. Karande. Further camp was organised in the institute in association with Patanjali Yoga Centre, Wardha. On the occasion Mrs. Pranita Gulhane, Mahila Prabhari, Wardha District and Mrs. Sangitatae Emale, Midia Prabhari, Patanjali demonstrated the different Yoga Positions. The camp was attended by students of B. Pharm and M. Pharm, teaching and non-teaching staff of the institute.

2. TREE PLANTATION

Trees beautify our surroundings, produce oxygen, absorb pollutants, sequester greenhouse gases, regulate temperature and prevent soil erosion, besides acting as wind barriers. They are grown for their aesthetic value in landscapes and or economic importance. The Indian tree flora diversity ranks 10th in the world and comprises of nearly 2000 species belonging to about 800 genera and 150 families of flowering plants, which includes majority of the cultivated and exotic species. With the increase in population, rapid expansion of area under food and commercial crops, deforestation, extension of urban area, establishment of industries in rural areas and other factors, there is considerable depletion of genetic wealth, many of them being in the verge of extinction. The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education and Wardha organized “Tree Plantation” programme on 28th July 2021 in the college premises. It was attended by Dr. R. O. Ganjwale, Principal; Dr. N. A. Karande, NSS Programme Coordinator; and NSS student volunteers. Under the Guidance of Asst. Prof. Dr. N. A. Karande, NSS Program Coordinator, students of B. Pharm and M. Pharm participated in Tree Plantation.

3. MAZI VASUNDHARA ABHIYAN

The Environment and Climate Change Department, Govt. of Maharashtra has taken up a holistic initiative, Majhi Vasundhara (My Earth), to make citizen aware of the impacts of climate change and environmental issues and to encourage them to make a conscious effort towards the improvement of the environment. This initiative will also support the state in the implementation of climate change mitigation and adaptation measures. It is a unique integrated first-ever exercise in India by the department, focusing on all five elements of nature i.e. “Panchamahabhuta” comprises Bhumi (Earth), Jala (Water), Vayu (Air), Agni (Energy), Akash (Enhancement) to ensure sustainable development for the state. The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education and Wardha organized Tree Platanion program under “Mazi Vasundhara Abhiyan” of government of Maharashtra on 2nd September, 2021 at 4.00 pm. Tree plantation was held outside the institute premises. The students of B. Pharm, M. Pharm and teaching staff members participated in the program.

4. ECO-FRIENDLY GANESH VISARJAN

Since the world is corrupted with pollution and toxic amount of materials, making it sustainable can be a good call. Going eco-friendly also improves your quality of life in terms of mortality, age, diseases etc. You might have a better shot at living a quality life with health if you chose to go eco-friendly.

The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education Wardha organized Eco-Friendly Ganesh Visarjan dated on 17.09.2021 in association with Vaidyakiya Janjagruti Manch Wardha. The students of B. Pharm, M. Pharm and teaching staff members participated in the program.

5. CONSTITUTION DAY

Constitution Day also known as 'Samvidhan Divas', is celebrated in our country on 26th November every year to commemorate the adoption of the Constitution of India. On 26th November 1949, the Constituent Assembly of India adopted the Constitution of India, which came into effect from 26th January 1950. The Ministry of Social Justice and Empowerment on 19th November 2015 notified the decision of Government of India to celebrate the 26th day of November every year as 'Constitution Day' to promote Constitution values among citizens. The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education Wardha celebrated "Constitution Day" dated on 26.11.2021, at 3.00 pm in the Seminar Hall No 121. Dr. D. M. Awari Co-ordinate the event. The students of B. Pharm, M. Pharm and teaching staff members participated in the program.

6. BLOOD DONATION CAMP

The purpose to organize a blood donation camp is to motivate people to donate blood and social works. The purpose of blood donation camp to select a suitable donor whose blood will be safe to the recipient and who himself shall not in any way be harmed by blood donation. Organization of blood donation camp should be best and safe to the patient/recipients and to the blood donor. Blood donation camp should motivate the public to donate blood by oral communication, which is the most effective method of recruiting donors. Talk about the need of blood, shortage of blood, ease of donation and myth about blood donation to the public. Blood donation and blood group detection camp was organized on 1st Jan 2022. Dr. R. O. Ganjiwale, Principal was the president of programme. Team of experts from Datta Meghe Institute of Medical Sciences, Sawangi(Meghe), Wardha was present on the occasion. About 38 students of the institute donated blood. Programme was conducted under the banner of NSS regular activities. Dr. Sunil C. Chawre was Camp In-charge for Blood Bank J.N.M.C. Sawangi(Meghe).

7. SWACHATA ABHIYAN [THEME: BANNED PLASTIC]

Being home to the world's second-largest population, it is needless to say that cleanliness is deeply interlinked with the nation's tourism and global interests. For developing tourism and enhancing the nation's GDP, it is important and vital to keep high standards of hygiene and cleanliness which will transform the global perception towards our nation as a whole. The importance of Swachh Bharat Abhiyan was linked to the economy and health of the country by the prime minister by providing a source of employment to many people and reducing health costs to a large extent.

Since the late 20th century, we have depended on plastic as an affordable, versatile and durable material. However, since the majority of plastic materials take centuries to degrade, all of the plastic that has been sent to landfills in the UK still exists and yet we're still producing and consuming more of it. That plastic has to go somewhere, and it's frequently either dumped carelessly on land or in rivers in developing countries, before ending up in the ocean, where it threatens marine life. The fact is, we simply can't cope with the amount of plastic on our planet nor the amount that continues to be produced. For this reason, our attitudes and behaviours towards plastic must change to ensure a safe and healthy future for our planet.

The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education Wardha organized "Swachata Abhiyan" in nearby village Borgaon(Meghe), Wardha dated on 14th March 2022 at 10.30 am in association with Grampanchayat Borgaon(Meghe), Wardha. The theme for Swachata Abhiyan was "Banned Plastic" and Dr. N. A. Karande Co-ordinate the activity. The students of B. Pharm, M. Pharm participated in the activity.

IPER students spread awareness against use of plastic

■ District Correspondent
WARDHA, Mar 28

VIDARBHA Youth Welfare Society's Institute of Pharmaceutical Education And Research, Borgaon Meghe, Wardha, (IPER) in collaboration with Gram Panchayat Borgaon Meghe, Wardha, conducted plastic eradication rally through the NSS and Swachhata Abhiyan.

The rally was inaugurated by the hands of Sarpanch Santosh Selukar, Principal Dr Rajendra Ganjiwale and Dr Bhushan Sathe were present on the occasion. About 250 students of IPER participated in the rally.

Students tried to convey message to the community regarding hazardous effects of plastic on health of humans and animals and it's adverse effects on the environment. Students prepared slogans and banners on 'No Use of plastic'.

Gram Panchayat adminstra-

Students showing banners and placard they created to inform about bad effects of plastic.

tion provided all possible support for the rally. The concluding programme was held in the premises of Gram Panchayat Borgaon Meghe, Wardha, where students who showed excellence in the rally were honoured by Principal Dr Rajendra Ganjiwale

and other dignitaries on the dias by offering them memento, certificates and cash prizes. Manisha Verma of B Pharm second year received cash prize of Rs 500/-.

The rally was conducted and supervise by NSS Co-ordinator Dr Nilesh Karande.

All teaching staff Dr Rathi, Dr Manisha Puranik, Abhiram Deshmukh, Dewani, G D Dahikar and non-teaching staff Vijay Dahiwalkar, Prashant Ankar, G P Deshmukh and Sontakke work hard for the success of programme.

8. CAMP FOR COVID-19

(RTPCR & RAPID ANTIGEN TEST)

Coronavirus disease (COVID-19) is an infectious disease caused by a newly discovered coronavirus. Most people infected with the COVID-19 virus will experience mild to moderate respiratory illness and recover without requiring special treatment. Older people, and those with underlying medical problems like cardiovascular disease, diabetes, chronic respiratory disease, and cancer are more likely to develop serious illness. The best way to prevent and slow down transmission is to be well informed about the COVID-19 virus, the disease it causes and how it spreads. Protect yourself and others from infection by washing your hands or using an alcohol based rub frequently and not touching your face. The National Service Scheme (NSS) unit of the Institute organize camp for Covid-19 (RTPCR and Rapid antigen test) on 1st April 2021 at 11.30 am. For the camp a team of Community Health officer, Borgaon(Meghe), Wardha visited to institute. The villagers from adopted under Unnat Bharat Abhiyan (UBA) Borgaon(Meghe), Inzapur, Sawangi(Meghe), Nalwadi and Warud participated in camp. On the day of camp RTPCR and rapid antigen test of villagers performed.

9. AWARENESS PROGRAMME COVID 19

Coronavirus disease 2019 (COVID-19) is a contagious disease caused by severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2). The first case was identified in Wuhan, China, in December 2019. The disease has since spread worldwide, leading to an ongoing pandemic. Symptoms of COVID-19 are variable, but often include fever, cough, fatigue, breathing difficulties, and loss of smell and taste. The National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha stand for and with people, no matter even if it is a pandemic, our motto allows us to help people in every manner possible. Since, NSS couldn't reach out to vulnerable people physically, we changed our way of approaching and sensitising. Our major way to do so was through our social media platforms, NSS SVC started multiple campaigns to educate, normalise and help different audience on social media platforms. Our students provide food kits to poor and needy people in wardha district. The work is appreciated by district collector of wardha and he appraised to our students of NSS Mr. Sumit Kolte by providing certificate of appraiciation. Students of B. Pharm and M. Pharm participated in Awareness Programme Covid 19.

10. HUMAN RIGHTS, INDIAN JUDICIARY SYSTEM AND CONSTITUTION OF INDIA (SEMINAR)

Rights are the fundamental rules about what is allowed of people or owed to people, according to some legal system, social convention, or ethical theory. Human rights are those rights, which every individual are entitled by virtue of being human since these rights belongs to them because of their very existence, these rights become operative by the birth of Human being. Human Rights, being the birth right, these rights inherent in all the individuals irrespective of their cast, creed, color, language, religion, sex, nationality and any other status. We are all equally entitled to our Human Rights without discrimination.

The National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha organized seminar of Dr. Prashant Godghate, Tech trainers and testers, Pune Pvt. Ltd. Dr. Prashant Godghate delivered lecture on Human Rights, Indian Judiciary system and Constitution of India on 3rd October 2018. The students and teachers of the I.P.E.R. attended the seminar.

11. POSTER COMPETITION ON TOPIC “AWARENESS ON SCRUB TYPHUS”

Scrub typhus is a mite-borne infection caused by *Orientia tsutsugamushi*. The disease is transmitted to humans through the bites of larvae of different species of trombiculid mites, appearing commonly in the autumn season. Rodents provide a disease reservoir whereas mites act as a reservoir and a disease vector. Clinical features at presentation range from non-specific flu-like symptoms such as fever, rash, an eschar at the bite site, headache, myalgia, and cough to severe systemic, life-threatening conditions involving the lungs, heart, liver, skin, central nervous system, and gastrointestinal tract. Furthermore, it has been reported that inappropriately or untreated scrub typhus has a mortality rate of at least 30%. The National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha organized Poster competition on topic “Awareness on Scrub Typhus” was organized on 25th September 2018. Students of B. Pharm and M. Pharm participated in Poster Competition.

12. PHARMA RALLY

ON

“PHARMACIST: YOUR MEDICINE EXPERT”

The National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha celebrated World Pharmacist day and 57th National Pharmacy week 25th September, 2018 at Borgaon(Meghe), Wardha. The theme for Pharmacist day was “PHARMACIST: YOUR MEDICINES EXPERT”. The major focus of Pharmacist day celebration was on highlighting the role and importance of pharmacist in hospitals and community. The theme for the national pharmacy week was “PHARMACIST FOR HEALTHY INDIA,” mainly focusing on creating awareness on the role of pharmacists and their importance in improving the health of public along with physician and nurses as a team in both hospital and community. On this occasion Pharma Rally was organized the theme “Pharmacist: Your medicine expert” on the eve of World Pharmacist Week to promote the role of pharmacist in the Health Care System among the rural population. Students and staff members participated in the rally. The rally was flagged by renowned ophthalmologist of wardha Dr. Vinod Adhalakhiya.

13. PERSONALITY DEVELOPMENT CAMP

It is our personality that makes us who we are, but how exactly do our personalities form? Personality development has been a major topic of interest for some of the most prominent thinkers in psychology. Since the inception of psychology as a separate science, researchers have proposed a variety of ideas to explain how and why personality develops. Personality development refers to how the organized patterns of behavior that make up each person's unique personality emerge over time. Many factors go into influencing personality, including genetics, environment, parenting, and societal variables. Perhaps most importantly, it is the ongoing interaction of all of these influences that continue to shape personality over time. The National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha organized Personality Development Camp in association with Young Inspiration Network Team of daily Newspaper "Sakal" was organized on 27th Feb 2018. Mr. Sumit Urkudkar of "Sakal" group was the speaker. Students attended the programme.

स्वतःमध्ये सकारात्मक ऊर्जा निर्माण करा सुमित उरकुडकर : 'आयपर'मध्ये यिन संवाद

वर्धा, ता. ४ : विद्यार्थ्यांनी-
स्वतःला कमी लेखू नये. नेहमी
आशावादी असायला हवे. आयुष्यात
कधीही नकारात्मक होऊ नका,
स्वतःमध्ये सकारात्मक ऊर्जा निर्माण
करा, आयुष्यात नक्कीच ध्येयाप्रत
पोहोचाल, असा मूलमंत्र प्रेरणादायी
वक्ते सुमित उरकुडकर यांनी दिला.

बोरगाव (मेघे) येथील
औषधनिर्माणशास्त्र संस्था, आयपर
फार्मसी महाविद्यालयात सकाळ माध्यम
समूहाच्या यंग इन्स्पिरेटर्स नेटवर्क
'यिन'तर्फे आयोजित संवाद कार्यक्रमात
ते विद्यार्थ्यांना मार्गदर्शन करीत होते.

यावेळी महाविद्यालयाचे प्राचार्य

14. AWARENESS PROGRAM ON SEXUAL HARASSMENT OF WOMENS AT WORKPLACE

Many employers, trade unions, and NGOs include awareness-raising and information, and run campaigns to end violence and harassment against women in the world of work, as part of an integrated strategy to end violence and harassment against women. In isolation, awareness-raising is not always effective, but it can form an important part of combined strategies linked to prevention. The National Service Scheme (NSS) unit in association with Women Security Cell of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha organized Awareness Program on Harassment of Womens at Work Place on 20th Feb, 2017.

✚ Seminar On “Healthy Relationship with Opposite Genders”

**Institute of Pharmaceutical Education & Research,
Borgaon(Meghe), Wardha**

SEMINAR REPORT

On topic “Healthy relationship with opposite genders” organized

By “Gender sensitization cell”

30 December 2021 at 11.30am

Institute of Pharmaceutical Education & Research has organized seminar under the banner of Gender Sensitization Cell” on topic “**Healthy relationship with opposite genders**” on 30th December 2021 at 11.30 am.

Objective of program: To aware girls and boys about how to maintain healthy relationship amongst them at college or social place.

Dr. R.O. Ganjiwale (I/C Principal and IQAC Chairman) inaugurated seminar with his enlightening key- note. He emphasizes on safety of Girls/women at social place and Gender sensitization awareness amongst students and parents.

Under this seminar Mrs. Jyoti N. Khandpasole eminent speaker delivered talk on topic “**Healthy relationship with opposite genders**”. She explained basic requirements to understand the sensitive needs of a particular gender and how do we promote Gender Sensitization in our society by giving some related examples.

Pravin Khandpasole second speaker of seminar delivered the talk on above said topic. He emphasizes on Laws related to women safety and how we aware the people towards women safety.

Ms. Shital D. Tiple Coordinator of this event delivered vote of thanks. She expressed her gratitude towards the management and to Dr. R.O. Ganjiwale (I/C Principal and IQAC Chairman) for his valuable support and guidance. She expressed her gratitude towards resource persons Jyoti P. Khandpasole mam and Pravin Khandpasole sir for their great efforts to make this seminar grant successful. She expressed her gratitude to all faculties, staff and all students.

Outcome of program: Through this program students will able to know about basic requirements to understand the sensitive needs of a particular gender and how to maintain healthy relationship amongst them at college or social place..

SEMINAR REPORT

**On topic "Gender equality today for a Sustainable tomorrow" organized
By "Gender sensitization cell and Girls Security Cell"**

11 March 2022 at 2.00pm

Institute of Pharmaceutical Education & Research has organized seminar under the banner of "Gender Sensitization Cell" and "Girls Security Cell" on topic "Gender equality today for a Sustainable tomorrow" on 11th March 2022 at 2.00 pm.

Objective of program: To aware and focus students on gender equality issue, prevent gender discrimination issue for sustainable future.

Dr. L. G. Rathi sir inaugurated seminar with his enlightening key-note. He emphasizes on safety of Girls/women at social place and Gender sensitization awareness amongst students and parents.

Under this seminar Mrs. Archana Wankhede (Pethe) eminent speaker delivered talk on topic "Gender equality today for a Sustainable tomorrow." She explained basic requirements to understand the sensitive needs of a particular gender and how do we promote Gender Sensitization in our society by putting some related examples also how we aware the people towards women safety.

Ms. Shital D. Tiple Coordinator of this event delivered vote of thanks. She expressed her gratitude towards the management and to Principal sir, Dr. Rathi sir for his valuable support and guidance. She expressed her gratitude towards resource persons Mrs. Archana Wankhede (Pethe) madam for her great efforts to make this seminar grant successful. She expressed her gratitude to all faculties, staff and all students.

Outcome of program: Through this program students will able to know about gender equality today for a sustainable tomorrow and how to overcome gender discrimination problem from society.

YOGA DAY [2021-22]

2021 International Day of Yoga, to be observed today, i.e. Monday (June 21), carries the theme "Yoga for well-being", much relevant for our times in a society still recovering from the impact of the coronavirus disease (Covid-19) pandemic. The Covid-19 plight was not just a physical crisis, it also left lasting impacts on mental health, with many left in psychological suffering, depression, and anxiety dealing with the pandemic-necessitated restrictions and loss. Yoga can come to the help of people dealing with such crises, the United Nations explained on its website since the message of the practice is to promote both physical and mental health.

National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha celebrated International Yoga Day on 21st June, 2021 at 7.00 am to 7.45 am. The common Yoga protocol were performed individually or with family within the confines of their home on 21st June, 2021 at 7.00 am to 7.45 am. The students participated in Yoga Day celebration and submitted photo and recordings of their Yoga performance at home to NSS programme officer Dr. N. A. Karande. Further camp was organised in the institute in association with Patanjali Yoga Centre, Wardha. On the occasion Mrs. Pranita Gulhane, Mahila Prabhari, Wardha District and Mrs. Sangitatae Emale, Midia Prabhari, Patanjali demonstrated the different Yoga Positions. The camp was attended by students of B. Pharm and M. Pharm, teaching and non-teaching staff of the institute.

TREE PLANTATION [2021-22]

Trees beautify our surroundings, produce oxygen, absorb pollutants, sequester greenhouse gases, regulate temperature and prevent soil erosion, besides acting as wind barriers. They are grown for their aesthetic value in landscapes and or economic importance. The Indian tree flora diversity ranks 10th in the world and comprises of nearly 2000 species belonging to about 800 genera and 150 families of flowering plants, which includes majority of the cultivated and exotic species. With the increase in population, rapid expansion of area under food and commercial crops, deforestation, extension of urban area, establishment of industries in rural areas and other factors, there is considerable depletion of genetic wealth, many of them being in the verge of extinction. The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education and Wardha organized "Tree Plantation" programme on 28th July 2021 in the college premises. It was attended by Dr. R. O. Ganjiwale, Principal; Dr. N. A. Karande, NSS Programme Coordinator; and NSS student volunteers. Under the Guidance of Asst. Prof. Dr. N. A. Karande, NSS Program Coordinator, students of B. Pharm and M. Pharm participated in Tree Plantation.

SWACHHATA PAKHWADA [2021-22]

The Swachhta Pakhwada launched by Government of India, is a fortnight-long program observed to ensure mass participation of citizens in Swachhta activities and to truly transform Swachh Bharat into a citizen's movement. "Swachhata Pakhwada" as a part of "Swachhta Abhiyan" was initiated, with the objective of bringing a fortnight of intense focus on the issues and practices of Swachhata-meaning Cleanliness. To support this great initiative of Gol and to create an awareness about the need of cleanliness, National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education and Wardha celebrated "Swachhata Pakhwada" dated from 1st to 15th August. The common protocol was performed individually at home. Further students made the slogans/posters on the theme like Catch the rain (Water Conservation), Green Village-Clean Village & Ban on single use plastic. The students of B. Pharm & M. Pharm participated in the activity.

MAZI VASUNDHARA ABHIYAN [2021-22]

The Environment and Climate Change Department, Govt. of Maharashtra has taken up a holistic initiative, Majhi Vasundhara (My Earth), to make citizen aware of the impacts of climate change and environmental issues and to encourage them to make a conscious effort towards the improvement of the environment. This initiative will also support the state in the implementation of climate change mitigation and adaptation measures. It is a unique integrated first-ever exercise in India by the department, focusing on all five elements of nature i.e. "Panchamahabhuta" comprises Bhumi (Earth), Jala (Water), Vayu (Air), Agni (Energy), Akash (Enhancement) to ensure sustainable development for the state. The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education and Wardha organized Tree Platanion program under "Mazi Vasundhara Abhiyan" of government of Maharashtra on 2nd September, 2021 at 4.00 pm. Tree plantation was held outside the institute premises. The students of B. Pharm, M. Pharm and teaching staff members participated in the program.

WORLD PHARMACIST DAY [2021-22]

Pharmacist Day, 25th September, that is being observed throughout the nation and the world. This year we observed this with the theme 'Pharmacy: Always Trusted for Your Health'. For decades Pharmacy profession has remained as a trusted profession for the healthcare needs of its people and the society. The Pandemic brought to the fore the many ways in which the pharmacists across the globe responded as 'Frontline Warriors' and ensured that the access to medicine's was not denied and took multiple responsibilities in supporting the governments, healthcare professionals and the patients and their caregivers. This has only reiterated the 'Trust' that people have in pharmacists. The years ahead will be more demanding on the pharmacist's role in strengthening the healthcare system across the globe. Armed with new knowledge and skills they will be expected to respond to task shifting and collaborative practices that may be required. Pharmacists should emerge as not only as the most reliable experts on medicines but also as trusted health professionals who are always ready to 'Provide care to those who need the most'. The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education and Wardha organized World Pharmacist day program in association with Wardha Chemist and Druggist Association and Food and Drug administration Wardha. On the occasion Shri. Mahendraji Gadekar, Joint Commissioner FDA Nagpur; Hon. P. M. Ballal, Asst. Commission FDA Nagpur and Bhandara and Shri. Satishji Chavhan was present. The students of B. Pharm, M. Pharm and teaching staff members participated in the program.

ECO-FRIENDLY GANESH VISARJAN [2021-22]

Since the world is corrupted with pollution and toxic amount of materials, making it sustainable can be a good call. Going eco-friendly also improves your quality of life in terms of mortality, age, diseases etc. You might have a better shot at living a quality life with health if you chose to go eco-friendly.

The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education Wardha organized Eco-Friendly Ganesh Visarjan dated on 17.09.2021 in association with Vaidyakiya Janjagruti Manch Wardha. The students of B. Pharm, M. Pharm and teaching staff members participated in the program.

FOOD-PLANET-HEALTH [2021-22]

Food systems have the potential to nurture human health and support environmental sustainability, however our current trajectories threaten both. The EAT–Lancet Commission addresses the need to feed a growing global population a healthy diet while also defining sustainable food systems that will minimise damage to our planet.

The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education Wardha organized Webinar on “Food-Planet-Health” in association with Vegan Outreach dated on 11.10.2021. The Vegan Outreach is an organization, initiated mission compassion 2021- a virtual tour to reach top University’s and Youth group of Nagpur and spread awareness about the impact of food on health. During this tour speaker Asha Gupta interacted with students about the health benefits of a plant based diet and how compassionate food choice care save the planet and animals. The students of B. Pharm, M. Pharm and teaching staff members participated in the program.

NATIONAL PHARMACY WEEK (NPW) [2021-22]

The Indian Pharmaceutical Association has been celebrating the National Pharmacy Week every year during the 3rd week of November. The major focus of NPW celebrations is to create awareness amongst the public, other healthcare providers and the authorities, about the NPW theme in particular and about the pharmacy profession and the role of the pharmacist in general.

The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education Wardha celebrated National Pharmacy Week (NPW) from 21 to 27 November 2021, on this occasion Poster Competition was organized on 26th November 2021 at 11.00 am. The theme for Poster Competition was “Pharmacist: An integrate part of heath care”. The winner and runner was awarded with cash prize and certificate. The 12 students of B. Pharm, M. Pharm participated in the Poster Competition. Students and teaching staff members attended program.

BLOOD DONATION CAMP [2021-22]

The purpose to organize a blood donation camp is to motivate people to donate blood and social works. The purpose of blood donation camp to select a suitable donor whose blood will be safe to the recipient and who himself shall not in any way be harmed by blood donation. Organization of blood donation camp should be best and safe to the patient/recipients and to the blood donor. Blood donation camp should motivate the public to donate blood by oral communication, which is the most effective method of recruiting donors. Talk about the need of blood, shortage of blood, ease of donation and myth about blood donation to the public.

Blood donation and blood group detection camp was organized on 1st Jan 2022. Dr. R. O. Ganjiwale, Principal was the president of programme. Team of experts from Datta Meghe Institute of Medical Sciences, Sawangi(Meghe), Wardha was present on the occasion. About 38 students of the institute donated blood. Programme was conducted under the banner of NSS regular activities. Dr. Sunil C. Chawre was Camp In-charge for Blood Bank J.N.M.C. Sawangi(Meghe).

SWACHATA ABHIYAN [2021-22]

[THEME: BANNED PLASTIC]

Being home to the world's second-largest population, it is needless to say that cleanliness is deeply interlinked with the nation's tourism and global interests. For developing tourism and enhancing the nation's GDP, it is important and vital to keep high standards of hygiene and cleanliness which will transform the global perception towards our nation as a whole. The importance of Swachh Bharat Abhiyan was linked to the economy and health of the country by the prime minister by providing a source of employment to many people and reducing health costs to a large extent.

Since the late 20th century, we have depended on plastic as an affordable, versatile and durable material. However, since the majority of plastic materials take centuries to degrade, all of the plastic that has been sent to landfills in the UK still exists and yet we're still producing and consuming more of it. That plastic has to go somewhere, and it's frequently either dumped carelessly on land or in rivers in developing countries, before ending up in the ocean, where it threatens marine life. The fact is, we simply can't cope with the amount of plastic on our planet nor the amount that continues to be produced. For this reason, our attitudes and behaviours towards plastic must change to ensure a safe and healthy future for our planet.

The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education Wardha organized "Swachata Abhiyan" in nearby village Borgaon(Meghe), Wardha dated on 14th March 2022 at 10.30 am in association with Grampanchayat Borgaon(Meghe), Wardha. The theme for Swachata Abhiyan was "Banned Plastic" and Dr. N. A. Karande Co-ordinate the activity. The students of B. Pharm, M. Pharm participated in the activity.

IPER students spread awareness against use of plastic

■ District Correspondent
WARDHA, Mar 28

VIDARBHA Youth Welfare Society's Institute of Pharmaceutical Education And Research, Borgaon Meghe, Wardha, (IPER) in collaboration with Gram Panchayat Borgaon Meghe, Wardha, conducted plastic eradication rally through the NSS and Swachhata Abhiyan.

The rally was inaugurated by the hands of Sarpanch Santosh Selukar, Principal Dr Rajendra Ganjiwale and Dr Bhushan Sathe were present on the occasion. About 250 students of IPER participated in the rally.

Students tried to convey message to the community regarding hazardous effects of plastic on health of humans and animals and it's adverse effects on the environment. Students prepared slogans and banners on 'No Use of plastic'.

Gram Panchayat adminstra-

Students showing banners and placard they created to inform about bad effects of plastic.

tion provided all possible support for the rally. The concluding programme was held in the premises of Gram Panchayat Borgaon Meghe, Wardha, where students who showed excellence in the rally were honoured by Principal Dr Rajendra Ganjiwale

and other dignitaries on the dias by offering them memento, certificates and cash prizes. Manisha Verma of B Pharm second year received cash prize of Rs 500/-.

The rally was conducted and supervise by NSS Co-ordinator Dr Nilesh Karande.

All teaching staff Dr Rathi, Dr Manisha Puranik, Abhiram Deshmukh, Dewani, G D Dahikar and non-teaching staff Vijay Dahiwalkar, Prashant Ankar, G P Deshmukh and Sontakke work hard for the success of programme.

YOGA DAY [2020-21]

“Yoga@Home and Yoga with Family”

Government is supporting the initiatives by promoting the theme, Yoga at Home, Yoga with Family, as a part of the activities in the run up to the International Yoga Day Celebration on June 21. Yoga at Home, Yoga with Family, theme has already been adopted by numerous institutions and individuals across the country. This year’s observance of International Day of Yoga will aim to highlight the health-building and stress-relieving aspects of Yoga. In light of this, Ministry of AYUSH has also organised a trainer-led Yoga session which will be telecasted on Doordarshan on 21 June at 6:30 in the morning. National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha celebrated International Yoga Day on 21st June, 2020 at 7.00 am to 7.45 am. The common Yoga protocol were performed individually or with family within the confines of their home on 21st June, 2020 at 7.00 am to 7.45 am. This year International Yoga Day observed on theme “Yoga@Home and Yoga with Family”. The 220 students participated in Yoga Day celebration and submitted photo and recordings of their Yoga performance at home to NSS programme officer Dr. N. A. Karande.

TREE PLANTATION [2020-21]

As if the logistical challenges of planting millions of trees were not enough, add into the mix a global public health crisis, unlike anything the world has seen in generations. The Coronavirus pandemic (COVID-19) has taken an immense toll on the lives and well-being of many and created unprecedented challenges to on-the-ground forestry and conservation efforts. The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education and Wardha organized “Tree Plantation” programme on 12th July 2020 in the college premises. It was attended by Dr. R. O. Ganjiwale, Principal; Dr. N. A. Karande, NSS Programme Coordinator; and NSS student volunteers. Under the Guidance of Asst. Prof. Dr. N. A. Karande, NSS Program Coordinator, NSS volunteers planted more than 50 trees.

BLOOD DONATION CAMP [2020-21]

The history of voluntary blood donation in India dates back to 1942 during the second world war when blood donors were required to help the wounded soldiers. The first blood bank was established in Kolkata, West Bengal in March 1942 at the All India Institute of Hygiene and Public Health and was managed by the Red Cross. The purpose to organize a blood donation camp is to motivate people to donate blood and social works. The purpose of blood donation camp to select a suitable donor whose blood will be safe to the recipient and who himself shall not in any way be harmed by blood donation. The National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha organized blood donation and blood group detection camp on 1st Jan, 2021. Dr. R. O. Ganjiwale, Principal inaugurated the Blood Donation Camp at 10.30 am. Team of experts from Blood Bank, General Hospital Wardha was present on the occasion. Programme was conducted under the banner of NSS regular activities.

CAMP FOR COVID-19 [2020-21]
(RTPCR & RAPID ANTIGEN TEST)

Coronavirus disease (COVID-19) is an infectious disease caused by a newly discovered coronavirus. Most people infected with the COVID-19 virus will experience mild to moderate respiratory illness and recover without requiring special treatment. Older people, and those with underlying medical problems like cardiovascular disease, diabetes, chronic respiratory disease, and cancer are more likely to develop serious illness. The best way to prevent and slow down transmission is to be well informed about the COVID-19 virus, the disease it causes and how it spreads. Protect yourself and others from infection by washing your hands or using an alcohol based rub frequently and not touching your face. The National Service Scheme (NSS) unit of the Institute organize camp for Covid-19 (RTPCR and Rapid antigen test) on 1st April 2021 at 11.30 am. For the camp a team of Community Health officer, Borgaon(Meghe), Wardha visited to institute. The villagers from adopted under Unnat Bharat Abhiyan (UBA) Borgaon(Meghe), Inzapur, Sawangi(Meghe), Nalwadi and Warud participated in camp. On the day of camp RTPCR and rapid antigen test of villagers performed.

AWARENESS PROGRAMME COVID 19 [2019-20]

Coronavirus disease 2019 (COVID-19) is a contagious disease caused by severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2). The first case was identified in Wuhan, China, in December 2019. The disease has since spread worldwide, leading to an ongoing pandemic. Symptoms of COVID-19 are variable, but often include fever, cough, fatigue, breathing difficulties, and loss of smell and taste. The National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha stand for and with people, no matter even if it is a pandemic, our motto allows us to help people in every manner possible. Since, NSS couldn't reach out to vulnerable people physically, we changed our way of approaching and sensitising. Our major way to do so was through our social media platforms, NSS SVC started multiple campaigns to educate, normalise and help different audience on social media platforms. Our students provide food kits to poor and needy people in wardha district. The work is appreciated by district collector of wardha and he appraised to our students of NSS Mr. Sumit Kolte by providing certificate of appraiciation. Students of B. Pharm and M. Pharm participated in Awareness Programme Covid 19.

MEDICAL EXAMINATION CAMP [2019-20]

Medical camps provide free medical advice, medicine to the unfortunate people and refer for specialized treatment or surgery whenever it is required. These camps make sure people are getting healthcare at the right time, and seeing the doctor early enough before a small health problem turns serious. The National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha organized Medical examination camp of students on 11th March 2020. Dr. R. O. Ganjiwale, Principal was the president of programme. Dr. Sanket Shelke, Dr. Manish Chavan, Dr. Pranjali Dukare, Dr. Sweta Kamble alongwith team of experts from Vinoba Bhave Ayurvedic College and Research Centre Salod(Hirapur), Sawangi(Meghe), Wardha was present on the occasion. About students of B. Pharm and M. Pharm participated in Medical Examination Camp.

TREE PLANTATION [2019-20]

“It's time to protect mother nature”

Trees greatly benefit the people living around them by having a positive impact on mental health and wellbeing, reducing stress and encouraging outdoor exercise. This is in addition to the benefits they will receive from an improved environmental quality and improved amenity which comes with planted areas. The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education and Wardha organized “Tree Plantation” programme on 11th July 2019 in the college premises. It was attended by Dr. R. O. Ganjiwale, Principal; Dr. N. A. Karande, NSS Programme Coordinator; and student volunteers. Under the Guidance of Asst. Prof. Dr. N. A. Karande, NSS Program Coordinator, NSS volunteers planted more than 100 trees.

YOGA DAY [2019-20]

Yoga is an old discipline from India. It is both spiritual and physical. Yoga uses breathing techniques, exercise and meditation. It helps to improve health and happiness. Yoga is the Sanskrit word for union. Patanjali was a pioneer of classical yoga. He defined yoga as "the cessation of the modification of the mind" (stopping changing the mind). A person doing yoga will move from one posture (called asana) to another. For example, the "sun-salutation" contains 12 poses of asanas, one after the other, and is said to help balance body and soul. There is a specific mantra for each asana. The "sun-salutation" is popularly known as "Suryanamaskar". National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha organized Yoga Day dated on 21st June 2019. The teaching and non-teaching staff of the institute and students participated in Yoga day program.

BLOOD DONATION CAMP [2018-19]

Human blood is an essential element of human life with no substitute. Voluntary blood donors are the cornerstone of a safe and adequate supply of blood and blood products. The safest blood donors are voluntary, non-remunerated blood donors from low-risk populations. Blood donors in India, as across the globe, are of three types; voluntary donors, replacement donors and professional donors. Most donations are as a result of replacement donations, which are non-remunerated donations, provided by the relatives of patients. The success of blood donation camp depends on people who organize the camp and blood bank team. The National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha organized blood donation and blood group detection camp on 1st Jan, 2019 at 10.30 am on account of New Year celebration. A team of expert from Jawaharlal Nehru Medical College, Sawangi(Meghe), Wardha visited to institute. Student volunteers of NSS and the other students and teachers actively participate in this program. The students of the institute donate blood on the occasion.

YOGA DAY [2018-19]

The International Day of Yoga has been celebrated annually on 21 June since 2015, following its inception in the United Nations General Assembly in 2014. Yoga is a physical, mental and spiritual practice which originated in India. The Indian Prime Minister, Narendra Modi, in his UN address suggested the date of 21 June, as it is the longest day of the year in the Northern Hemisphere and shares a special significance in many parts of the world. NSS unit of IPER along with teaching and nonteaching staff organized Yoga Day dated on 21st June 2018 at 4.00 pm in the open air theatre of the institute. Yoga guru Shri. Damodarji Raut and Shrimati. Pranita Gulhane, Dist. In-charge of Patanjali guided the students. Students of B. Pharm and M. Pharm participated in Yoga Day program. The online data and photographs for the same submitted to government websites.

TREE PLANTATION [2018-19]

Every man need the oxygen for their life and Trees are the foremost source of oxygen as well trees helps to reduce the level of CO₂. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees has become one of the most important today's aspects. The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education and Wardha organized "Tree Plantation" programme on 16th July 2018 in the college premises. It was attended by Dr. R. O. Ganjiwale, Principal; Dr. N. A. Karande, NSS Programme Coordinator; and more than 120 student volunteers. Under the Guidance of Asst. Prof. Dr. N. A. Karande, NSS Program Coordinator, NSS volunteers planted trees. The students also placed bricks as barricades and each student took the responsibility to nourish and maintain the allocated plant. Eventually, the ground attained a glorious look. The committee decided to proceed with the same inspiration, enthusiasm and zeal to enhance the beauty of the college campus.

**POSTER COMPETITION ON TOPIC “AWARENESS ON
SCRUB TYPHUS” [2018-19]**

Scrub typhus is a mite-borne infection caused by *Orientia tsutsugamushi*. The disease is transmitted to humans through the bites of larvae of different species of trombiculid mites, appearing commonly in the autumn season. Rodents provide a disease reservoir whereas mites act as a reservoir and a disease vector. Clinical features at presentation range from non-specific flu-like symptoms such as fever, rash, an eschar at the bite site, headache, myalgia, and cough to severe systemic, life-threatening conditions involving the lungs, heart, liver, skin, central nervous system, and gastrointestinal tract. Furthermore, it has been reported that inappropriately or untreated scrub typhus has a mortality rate of at least 30%. The National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha organized Poster competition on topic “Awareness on Scrub Typhus” was organized on 25th September 2018. Students of B. Pharm and M. Pharm participated in Poster Competition.

PHARMA RALLY [2018-19]

ON

“PHARMACIST: YOUR MEDICINE EXPERT”

The National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha celebrated World Pharmacist day and 57th National Pharmacy week 25th September, 2018 at Borgaon(Meghe), Wardha. The theme for Pharmacist day was “PHARMACIST: YOUR MEDICINES EXPERT”. The major focus of Pharmacist day celebration was on highlighting the role and importance of pharmacist in hospitals and community. The theme for the national pharmacy week was “PHARMACIST FOR HEALTHY INDIA,” mainly focusing on creating awareness on the role of pharmacists and their importance in improving the health of public along with physician and nurses as a team in both hospital and community. On this occasion Pharma Rally was organized the theme “Pharmacist: Your medicine expert” on the eve of World Pharmacist Week to promote the role of pharmacist in the Health Care System among the rural population. Students and many staff members participated in the rally. The rally was flagged by renowned ophthalmologist of wardha Dr. Vinod Adhalakhiya.

Dr. Anita Wanjari, Dr. Dipak Garde alogwith team of experts from Vinoba Bhave Ayurvedic College and Research Centre Salod(Hirapur), Sawangi(Meghe), Wardha was present on the occasion. Students of B. Pharm and M. Pharm was the beneficiary of this Medical Examination Camp.

BLOOD DONATION CAMP [2017-18]

Voluntary blood donation programs recruitment and retention are about people and community, about understanding them, capturing their interest and influencing their behaviour. The main communicating task for both blood donor recruitment and retention should be geared towards getting public understanding about the importance and triggering a response for action. Once a blood donor motivator raises awareness, he or she must motivate and persuade people to donate blood. If the camps are held in a relaxed manner, it can be an enjoyable pleasant experience for all concerned. All over the world, most blood from voluntary blood donors is collected from outdoor camps in rural and urban areas. The National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha organized blood donation and blood group detection camp on 1st Jan, 2018 at 10.30 am on account of New Year celebration. A team of expert from Jawaharlal Nehru Medical College, Sawangi(Meghe), Wardha visited to institute. Student volunteers of NSS and the other students and teachers actively participate in this program.

TREE PLANTATION [2017-18]

Tree-planting is the process of transplanting tree seedlings, generally for forestry, land reclamation, or landscaping purpose. It differs from the transplantation of larger trees in arboriculture, and from the lower cost but slower and less reliable distribution of tree seeds. Trees contribute to their environment over long periods of time by providing oxygen, improving air quality, climate amelioration, conserving water, preserving soil, and supporting wildlife. During the process of photosynthesis, trees take in carbon dioxide and produce the oxygen we breathe. The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education and Wardha organized "Tree Plantation" programme on 9th July 2017 in the college premises. It was attended by Dr. R. O. Ganjiwale, Principal; Dr. N. A. Karande, NSS Programme Coordinator; and more than student volunteers. Under the Guidance of Asst. Prof. Dr. N. A. Karande, NSS Program Coordinator, NSS volunteers planted trees.

1.12 Information about Guest lectures on Environment Awareness

Webinar on Food-Planet-Health

Food systems have the potential to nurture human health and support environmental sustainability, however our current trajectories threaten both. The EAT–Lancet Commission addresses the need to feed a growing global population a healthy diet while also defining sustainable food systems that will minimise damage to our planet.

The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education Wardha organized Webinar on “Food-Planet-Health” in association with Vegan Outreach dated on 11.10.2021. The Vegan Outreach is an organization, initiated mission compassion 2021- a virtual tour to reach top University’s and Youth group of Nagpur and spread awareness about the impact of food on health. During this tour speaker Asha Gupta interacted with students about the health benefits of a plant based diet and how compassionate food choice care save the planet and animals. The students of B. Pharm, M. Pharm and teaching staff members participated in the program.

About Institute of Pharmaceutical Education and Research

Institute of Pharmaceutical Education and Research is one of the pioneering pharmacy institutes in India, established in 1982 in Wardha, which is run by Vidarbha Youth Welfare Society, Amravati.

The institute is accredited twice by NBA and had received NAAC Grade A. The institute is permanently affiliated to RTM Nagpur University, Nagpur, and conducts PhD, M. Pharm, B. Pharm and D. Pharm courses. The institute is a recognized as Higher Learning Centre by RTM Nagpur University, Nagpur. IPER has been recognized by UGC under 2(f) and 12(b).

Since its inception, the institute is experiencing remarkable growth qualitatively. With well-equipped laboratories, rich library, qualified and experienced staff and high academic standards the institute have become one of the premier institutes in central India.

Institute of Pharmaceutical Education and Research has always been dedicated for providing quality education and maintaining standards pertinent to the current requirements of the profession. The Institute has been actively involved in Research and has several publications and patents to its credit. Besides academic interests, the institute is also dedicated for overall development of students, which is reflected from their achievements in academic as well as co-curricular and extra-curricular activities.

The Post-graduate students of the Institute are involved in current research areas, trying to level up with global industrial essentials and standards. The institute has undertaken various research projects from various Government organizations and Pharma Industries costing above 1.5 crore. We groom our students, not only in the field of discipline, but also broaden their mindsets and create positive attitude.

Brand IPER has always been committed to quality, and as an extension in providing overall quality and value education, IPER has introduced Certificate course in Universal Human Values and Professional Ethics for its Students.

About Universal Human Values and Professional Ethics

Human Values and Ethics define the quality of a person or an organization or society at large. Practitioners of values and ethics learn these lessons through self-initiated endeavors, through the life experience that is the greatest laboratory of learning, and through the educational institutions, those they attend. It is needless to emphasize that education is the most important pillar of a civilized and dignified society. The entire structure of society or nation depends on the strength of this pillar. If this pillar is strong, society would remain humane and would prosper. If this pillar develops some fractures, the society may enter into sub-human phase. Thus, there is a need to keep emphasizing the importance of human values in the form of "Shiksha-Sanskar" in educational institutions.

Human values and ethics are not like motor skills, which once mastered remain with forever. They are not skills, they belong not even to the domain of mere knowledge, they in fact belong to the domain of subtle understanding and practice. Hence there is a need to discuss and streamline the process that helps to infuse the culture of human values and ethics in the students of Professional courses.

Objectives of the Value-added course

- a. To help the students appreciate the essential complementarity between 'VALUES' and 'SKILLS' to ensure sustained happiness and prosperity which are the core aspirations of all human beings.
- b. To facilitate the development of a Holistic perspective among students towards life, profession and happiness, based on a correct understanding of the Human reality and the rest of existence. Such a holistic perspective forms the basis of Value based living in a natural way.
- c. To highlight plausible implications of such a Holistic understanding in terms of ethical human conduct, trustful and mutually satisfying human behavior and mutually enriching interaction with Nature.
