Webinar Report

**“Application of Computational Chemistry in Drug Design” organized on 11th
September 2021 at 2.00 pm**

Institute of Pharmaceutical Education and Research had organized webinar on topic entitled, “Application of Computational Chemistry in Drug Design” organized on 11th September 2021 at 2.00 pm for students.

Dr. R. O. Ganjiwale (I/c Principal and IQAC Chairman) inaugurated the webinar with his enlightening key-note. He emphasized on the need of exploring our budding pharmacist with novel trends in computer aided drug discovery.

Dr. Vijay M. Khedkar eminent researcher and academician delivered talk on topic “Application of Computational Chemistry in Drug Design”. He explained fundamentals of Computer Aided Drug Designing and provided insights on various emerging field in computational chemistry which will help to understand various tools and techniques for *In-silico* screening of drug.

Dr. Aarti Belgamwar, Coordinator of the event delivered vote of thanks. She expressed her gratitude towards management and to Dr. R. O. Ganjiwale (I/c Principal and IQAC Chairman) for his valuable support and guidance. She expressed her gratitude towards resource person Dr. Vijay Khedkar for his great effort to make the conference an intellectual-discourse. She expressed her gratitude to all faculties, staff and all participants.
