Universal Human Values and Professional Ethics

Vidarbha Youth Welfare Society's

INSTITUTE OF PHARMACEUTICAL EDUCATION AND RESEARCH

Borgaon (Meghe), Wardha

ISTE STUDENTS CHAPTER

Invites you to attend Webinar by

Mr. Manish Bhatkar

Founder Director and CEO

Red Lotus Pharmatech Pvt. Ltd, Navi Mumbai

**Topic: Elevating Ethical Practices in
Pharmaceutical Sciences**

Time: 10.30 am to 12.00 pm

Dr. Laxma Reddy K.

Professor, Department of Chemistry

*National Institute of Technology,
Warangal*

Topic: Universal Human Values

Time: 2.00 pm to 3.30 pm

On 15th March 2021

Principal

Dr. R. O. Ganjiwale

Co-ordinator

Mr. S. P. Dewani

R. O. Ganjiwale

3:17 PM

The screenshot shows a Google Meet window. On the left, a presentation slide is visible with a red arrow pointing to the right. The slide contains the following text:

- All three are necessary – we can see that physical facility, relationship and right understanding are
- Three distinct realities. All three are required for fulfilment of human being. One cannot be substituted for the other. For ensuring fulfilment in relationship, it is necessary to have right understanding about relationship, i.e. for fulfilment of human being – physical facility, relationship.
- If we investigate into the priority among these, we can see that right understanding is the first priority, fulfilment in relationship with human being is the second priority and ensuring physical facility with rest of nature is the third priority.

On the right side of the window, there is a grid of participant avatars. The participants listed are: Sonali Derkar, Laxma Reddy K (presenting), ANKIT MAZUMDAR, Adnan Shaikh, minal gharpure, Nidhi Chahan..., Sonam Dorle, havelikar ujwal, Shagufta Khan, Sheelpriya W..., Vrushali Path..., and Supriya Bare... The bottom of the window shows meeting controls like mute, video, and chat, along with a 'Meeting details' link.

Profession/ Industry – Distinguishing Characteristics

Research & capital intensive

- 10 to 15 yrs. lead time in 3-phase Clinical Trial
- Successful NCE development cost estimate ~ US\$ 1.3 Bn. (ex mktg. expenses)¹

Drug discovery/ development risky – profitability ???

- 1 in 5,000 to 10,000 potential compounds tested succeeds
- Only 3/ 10 Rx product in USA generate revenues that is \geq average R&D costs
- In the absence of patent protection, imitators could copy the new medication
- Patents nominally last 20 yrs. – average effective patent life is about 11.5 yrs. (time is lost in the development & distribution of the new drug²)

¹Tufts Centre for the Study of Drug Development, ²https://www.encyclopedia.com

IPER organises webinar

■ **District Correspondent**

WARDHA, Mar 21

ISTE Students Chapter at Institute of Pharmaceutical Education and Research (IPER), Borgaon (Meghe), Wardha had organised a one- day online webinar for faculties and students of B Pharm. and M Pharm. courses. Manish Bhatkar, Founder Director and CEO of Red Lotus Pharmtech Private Limited, Navi Mumbai and Dr Laxma Reddy K, Professor, Department of Chemistry, National Institute of Technology, Warangal, were the main speakers for the webinar.

Bhatkar delivered a talk on 'Elevating Ethical Practices in Pharmaceutical Sciences' and guided students and staff members on how ethical practices should be followed and maintained in pharmaceutical industries. He gave several examples of how people were not fol-

lowing the ethics in professional life which could result into a long term loss.

He interacted with the students and provided them with key knowledge to maintain professional ethics for their overall development in their future.

Dr Laxma Reddy K presented his views to the staff and the students on the topic 'Universal Human Values'. He motivated the students on the basic ideas on what a human actually means and needs. He said that students should recognise how our active participation will strengthen the relationship at our home, in the society and finally with Nature.

The webinar was conducted by S P Dewani, Assistant Professor, under the guidance of Dr R O Ganjiwale, Principal of IPER, Wardha. Dewani also proposed a vote of thanks in which he expressed gratitude towards both the speakers as well as Principal Dr R O Ganjiwale.
