## Extension Activities [2021-22]

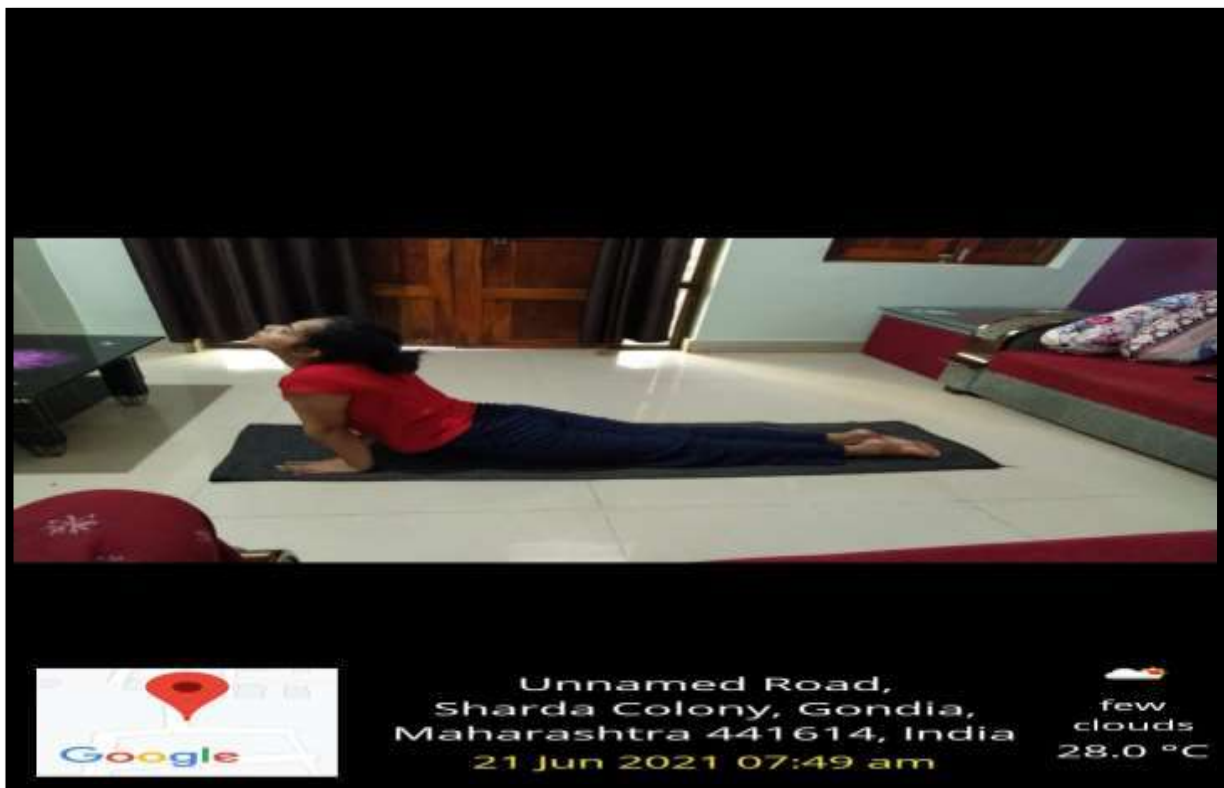

### 1. YOGA DAY

2021 International Day of Yoga, to be observed today, i.e. Monday (June 21), carries the theme "Yoga for well-being", much relevant for our times in a society still recovering from the impact of the coronavirus disease (Covid-19) pandemic. The Covid-19 plight was not just a physical crisis, it also left lasting impacts on mental health, with many left in psychological suffering, depression, and anxiety dealing with the pandemic-necessitated restrictions and loss. Yoga can come to the help of people dealing with such crises, the United Nations explained on its website since the message of the practice is to promote both physical and mental health.

National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha celebrated International Yoga Day on 21st June, 2021 at 7.00 am to 7.45 am. The common Yoga protocol were performed individually or with family within the confines of their home on 21st June, 2021 at 7.00 am to 7.45 am. The students participated in Yoga Day celebration and submitted photo and recordings of their Yoga performance at home to NSS programme officer Dr. N. A. Karande. Further camp was organised in the institute in association with Patanjali Yoga Centre, Wardha. On the occasion Mrs. Pranita Gulhane, Mahila Prabhari, Wardha District and Mrs. Sangitatae Emale, Midia Prabhari, Patanjali demonstrated the different Yoga Positions. The camp was attended by students of B. Pharm and M. Pharm, teaching and non-teaching staff of the institute.

**2. TREE PLANTATION**

Trees beautify our surroundings, produce oxygen, absorb pollutants, sequester greenhouse gases, regulate temperature and prevent soil erosion, besides acting as wind barriers. They are grown for their aesthetic value in landscapes and or economic importance. The Indian tree flora diversity ranks 10th in the world and comprises of nearly 2000 species belonging to about 800 genera and 150 families of flowering plants, which includes majority of the cultivated and exotic species. With the increase in population, rapid expansion of area under food and commercial crops, deforestation, extension of urban area, establishment of industries in rural areas and other factors, there is considerable depletion of genetic wealth, many of them being in the verge of extinction. The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education and Wardha organized "Tree Plantation" programme on 28th July 2021 in the college premises. It was attended by Dr. R. O. Ganjiwale, Principal; Dr. N. A. Karande, NSS Programme Coordinator; and NSS student volunteers. Under the Guidance of Asst. Prof. Dr. N. A. Karande, NSS Program Coordinator, students of B. Pharm and M. Pharm participated in Tree Plantation.

### 3. SWACHHATA PAKHWADA

The Swachhata Pakhwada launched by Government of India, is a fortnight-long program observed to ensure mass participation of citizens in Swachhata activities and to truly transform Swachh Bharat into a citizen's movement. "Swachhata Pakhwada" as a part of "Swachhata Abhiyan" was initiated, with the objective of bringing a fortnight of intense focus on the issues and practices of Swachhata-meaning Cleanliness. To support this great initiative of Gol and to create an awareness about the need of cleanliness, National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education and Wardha celebrated "Swachhata Pakhwada" dated from 1<sup>st</sup> to 15<sup>th</sup> August. The common protocol was performed individually at home. Further students made the slogans/posters on the theme like Catch the rain (Water Conservation), Green Village-Clean Village & Ban on single use plastic. The Students of B. Pharm & M. Pharm participated in the activity.

**4. MAZI VASUNDHARA ABHIYAN**

The Environment and Climate Change Department, Govt. of Maharashtra has taken up a holistic initiative, Majhi Vasundhara (My Earth), to make citizen aware of the impacts of climate change and environmental issues and to encourage them to make a conscious effort towards the improvement of the environment. This initiative will also support the state in the implementation of climate change mitigation and adaptation measures. It is a unique integrated first-ever exercise in India by the department, focusing on all five elements of nature i.e. "Panchamahabhuta" comprises Bhumi (Earth), Jala (Water), Vayu (Air), Agni (Energy), Akash (Enhancement) to ensure sustainable development for the state. The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education and Wardha organized Tree Platanion program under "Mazi Vasundhara Abhiyan" of government of Maharashtra on 2nd September, 2021 at 4.00 pm. Tree plantation was held outside the institute premises. The students of B. Pharm, M. Pharm and teaching staff members participated in the program.

**5. WORLD PHARMACIST DAY**

Pharmacist Day, 25th September, that is being observed throughout the nation and the world. This year we observed this with the theme 'Pharmacy: Always Trusted for Your Health'. For decades Pharmacy profession has remained as a trusted profession for the healthcare needs of its people and the society. The Pandemic brought to the fore the many ways in which the pharmacists across the globe responded as 'Frontline Warriors' and ensured that the access to medicine's was not denied and took multiple responsibilities in supporting the governments, healthcare professionals and the patients and their caregivers. This has only reiterated the 'Trust' that people have in pharmacists. The years ahead will be more demanding on the pharmacist's role in strengthening the healthcare system across the globe. Armed with new knowledge and skills they will be expected to respond to task shifting and collaborative practices that may be required. Pharmacists should emerge as not only as the most reliable experts on medicines but also as trusted health professionals who are always ready to 'Provide care to those who need the most'. The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education and Wardha organized World Pharmacist day program in association with Wardha Chemist and Druggist Association and Food and Drug administration Wardha. On the occasion Shri. Mahendraji Gadekar, Joint Commissioner FDA Nagpur; Hon. P. M. Ballal, Asst. Commission FDA Nagpur and Bhandara and Shri. Satishji Chavhan was present. The students of B. Pharm, M. Pharm and teaching staff members participated in the program.

## Programme organised at IPER

■ **District Correspondent**  
WARDHA, Oct 7

INSTITUTE of Pharmaceutical Education and Research (IPER), Borgaon Meghe, Wardha, in association with Food and Drug Administration and Druggist and Chemist Association, organised a programme recently.

Dr Rajendra Ganjiwale Principal, IPER, addressed the gathering. He spoke on the role of pharmacist in the health care sector. Dr P M Ballal, Assistant Commissioner, FDA, Nagpur and Bhandara, gave a presentation on the theme 'Pharmacy: Always Trusted for Your Health'. Mahesh Gadekar, Joint Commissioner,

FDA, Nagpur, expressed his views on online chain pharmacy. Satish Chavhan, Drug Inspector, Wardha, motivated the pharmacist in his speech. Dr Mahendra Kshirsagar, Director, Genetek Life Sciences Pvt. Ltd. Wardha was the guest of honour. The pharmacists who have been serving for last 50 years Navin Medical Stores, Arvi, Janki Medical, Stores, Karanja, Ganesh Medical Stores, Pilgaon, Wallabhdas Panachand, Wardha, Bombaywala Shop, Wardha, Dinesh Medical Stores, Sindhi, A N Tamboli Medical Stores Hinganghat, Mahesh Medical, Karanja, Vijay Bharat Stores, Ashti, Navbharat Medical, Wardha, Chandore Medical,

Nachangaon and Umre Medical, Wardha, were felicitated with memento on this occasion. Dr Rajendra Ganjiwale, Principal, Institute of Pharmaceutical Education and Research, Borgaon Meghe, and Dr Bhushankumar Sathe, Principal, Institute of Diploma in Pharmacy, Borgaon Meghe, was awarded with a memento for their service in the field of education and contribution towards society. Naval Mandhania, President, Druggists and Chemists' Association, Wardha, proposed a vote of thanks. Dr Deorao Awari and Dr Nilesh Karande, Co-coordinator, successfully organised the programme.

## 6. ECO-FRIENDLY GANESH VISARJAN

Since the world is corrupted with pollution and toxic amount of materials, making it sustainable can be a good call. Going eco-friendly also improves your quality of life in terms of mortality, age, diseases etc. You might have a better shot at living a quality life with health if you chose to go eco-friendly.

The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education Wardha organized Eco-Friendly Ganesh Visarjan dated on 17.09.2021 in association with Vaidyakiya Janjagruti Manch Wardha. The students of B. Pharm, M. Pharm and teaching staff members participated in the program.

## 7. FOOD-PLANET-HEALTH

Food systems have the potential to nurture human health and support environmental sustainability, however our current trajectories threaten both. The EAT–Lancet Commission addresses the need to feed a growing global population a healthy diet while also defining sustainable food systems that will minimise damage to our planet.

The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education Wardha organized Webinar on “Food-Planet-Health” in association with Vegan Outreach dated on 11.10.2021. The Vegan Outreach is an organization, initiated mission compassion 2021- a virtual tour to reach top University’s and Youth group of Nagpur and spread awareness about the impact of food on health. During this tour speaker Asha Gupta interacted with students about the health benefits of a plant based diet and how compassionate food choice care save the planet and animals. The students of B. Pharm, M. Pharm and teaching staff members participated in the program.

**§. NATIONAL PHARMACY WEEK (NPW)**

The Indian Pharmaceutical Association has been celebrating the National Pharmacy Week every year during the 3rd week of November. The major focus of NPW celebrations is to create awareness amongst the public, other healthcare providers and the authorities, about the NPW theme in particular and about the pharmacy profession and the role of the pharmacist in general.

The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education Wardha celebrated National Pharmacy Week (NPW) from 21 to 27 November 2021, on this occasion Poster Competition was organized on 26<sup>th</sup> November 2021 at 11.00 am. The theme for Poster Competition was “Pharmacist: An integrate part of heath care”. The winner and runner was awarded with cash prize and certificate. The students of B. Pharm, M. Pharm participated in the Poster Competition, students and teaching staff members attended program.

**9. CONSTITUTION DAY**

Constitution Day also known as 'Samvidhan Divas', is celebrated in our country on 26th November every year to commemorate the adoption of the Constitution of India. On 26th November 1949, the Constituent Assembly of India adopted the Constitution of India, which came into effect from 26th January 1950. The Ministry of Social Justice and Empowerment on 19th November 2015 notified the decision of Government of India to celebrate the 26th day of November every year as 'Constitution Day' to promote Constitution values among citizens.

The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education Wardha celebrated "Constitution Day" dated on 26.11.2021, at 3.00 pm in the Seminar Hall No 121. Dr. D. M. Awari Co-ordinate the event. The students of B. Pharm, M. Pharm and teaching staff members participated in the program.

**10. VOTER REGISTRATION CAMP**

In electoral systems, voter registration (or enrollment) is the requirement that a person otherwise eligible to vote must register (or enroll) on an electoral roll, which is usually a prerequisite for being entitled or permitted to vote. The rules governing registration vary between jurisdictions. In most jurisdictions, voting and registration is optional, while in others (such as in Australia) registration and voting are compulsory for citizens of voting age. The Government of India conducts a revision of the voters list every 5 years. An additional summary revision is conducted every year. Apart from this, citizens can request their inclusion in the voters list by applying through Form 6. If the application is valid, the applicant's name will get included in the list. At 18 years old, completed person should be eligible for voter list (for Indian citizens only).

The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education Wardha organized Voter Registration Camp dated on 01.12.2021, at 11.00 am. Mr. S. R. Asole and Ms. N. R. Mahajan Co-ordinate the activity. The students of B. Pharm, M. Pharm participated in the activity.

**11. BLOOD DONATION CAMP**

The purpose to organize a blood donation camp is to motivate people to donate blood and social works. The purpose of blood donation camp to select a suitable donor whose blood will be safe to the recipient and who himself shall not in any way be harmed by blood donation. Organization of blood donation camp should be best and safe to the patient/recipients and to the blood donor. Blood donation camp should motivate the public to donate blood by oral communication, which is the most effective method of recruiting donors. Talk about the need of blood, shortage of blood, ease of donation and myth about blood donation to the public.

Blood donation and blood group detection camp was organized on 1st Jan 2022. Dr. R. O. Ganjiwale, Principal was the president of programme. Team of experts from Datta Meghe Institute of Medical Sciences, Sawangi(Meghe), Wardha was present on the occasion. About 38 students of the institute donated blood. Programme was conducted under the banner of NSS regular activities. Dr. Sunil C. Chawre was Camp In-charge for Blood Bank J.N.M.C. Sawangi(Meghe).

**12. SWACHATA ABHIYAN**

**[THEME: BANNED PLASTIC]**

Being home to the world's second-largest population, it is needless to say that cleanliness is deeply interlinked with the nation's tourism and global interests. For developing tourism and enhancing the nation's GDP, it is important and vital to keep high standards of hygiene and cleanliness which will transform the global perception towards our nation as a whole. The importance of Swachh Bharat Abhiyan was linked to the economy and health of the country by the prime minister by providing a source of employment to many people and reducing health costs to a large extent.

Since the late 20th century, we have depended on plastic as an affordable, versatile and durable material. However, since the majority of plastic materials take centuries to degrade, all of the plastic that has been sent to landfills in the UK still exists and yet we're still producing and consuming more of it. That plastic has to go somewhere, and it's frequently either dumped carelessly on land or in rivers in developing countries, before ending up in the ocean, where it threatens marine life. The fact is, we simply can't cope with the amount of plastic on our planet nor the amount that continues to be produced. For this reason, our attitudes and behaviours towards plastic must change to ensure a safe and healthy future for our planet.

The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education Wardha organized "Swachata Abhiyan" in nearby village Borgaon(Meghe), Wardha dated on 14<sup>th</sup> March 2022 at 10.30 am in association with Grampanchayat Borgaon(Meghe), Wardha. The theme for Swachata Abhiyan was "Banned Plastic" and Dr. N. A. Karande Co-ordinate the activity. The students of B. Pharm, M. Pharm participated in the activity.

## IPER students spread awareness against use of plastic

**■ District Correspondent**  
WARDHA, Mar 28

VIDARBHA Youth Welfare Society's Institute of Pharmaceutical Education And Research, Borgaon Meghe, Wardha, (IPER) in collaboration with Gram Panchayat Borgaon Meghe, Wardha, conducted plastic eradication rally through the NSS and Swachhata Abhiyan.

The rally was inaugurated by the hands of Sarpanch Santosh Selukar. Principal Dr Rajendra Ganjiwale and Dr Bhushan Sathe were present on the occasion. About 250 students of IPER participated in the rally.

Students tried to convey message to the community regarding hazardous effects of plastic on health of humans and animals and it's adverse effects on the environment. Students prepared slogans and banners on 'No Use of plastic'.

Gram Panchayat administra-

Students showing banners and placard they created to inform about bad effects of plastic.

tion provided all possible support for the rally. The concluding programme was held in the premises of Gram Panchayat Borgaon Meghe, Wardha, where students who showed excellence in the rally were honoured by Principal Dr Rajendra Ganjiwale

and other dignitaries on the dias by offering them memento, certificates and cash prizes. Manisha Verma of B Pharm second year received cash prize of Rs 500/-.

The rally was conducted and supervise by NSS Co-ordinator Dr Nilesh Karande.

All teaching staff Dr Rathi, Dr Manisha Puranik, Abhiram Deshmukh, Dewani, G D Dahikar and non-teaching staff Vijay Dahiwalkar, Prashant Ankar, G P Deshmukh and Sontakke work hard for the success of programme.

## **Extension Activities [2020-21]**

### **13. UNNAT BHARAT ABHIYAN (UBA)**

The conceptualization of Unnat Bharat Abhiyan started with the initiative of a group of dedicated faculty members of Indian Institute of Technology (IIT) Delhi working for long in the area of rural development and appropriate technology. The concept was nurtured through wide consultation with the representatives of a number of technical institutions, Rural Technology Action Group (RuTAG) coordinators, voluntary organizations and government agencies, actively involved in rural development work, during a National workshop held at IIT Delhi in September, 2014. The workshop was sponsored by Council for Advancement of People's Action and Rural Technology (CAPART), Ministry of Rural Development, Govt. of India. The program was formally launched by the Ministry of Education (MoE) (formerly Ministry Human Resource Development (MHRD)) in presence of the President of India on 11th November, 2014.

Unnat Bharat Abhiyan is inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an Inclusive India. The Mission of Unnat Bharat Abhiyan is to enable higher educational institutions to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth. It also aims to create a virtuous cycle between society and an inclusive academic system by providing knowledge and practices for emerging professions and to upgrade the capabilities of both the public and the private sectors in responding to the development needs of rural India.

Unnat Bharat Abhiyan (UBA), a flagship programme of Ministry of Human Resource Development (MHRD), Govt. of India. Higher educational institutions (HEIs) of the country adopt villages for their development. Faculty and students to be involved in village development plan in collaboration with district administration. Institute of Pharmaceutical Education & Research, Borgaon(Meghe), Wardha participated in UBA and adopted 5 villages [Borgaon, Warud, Nalwadi, Inzapur, Sawangi(Meghe)] for their development in collaboration with district administration. Institute, UBA cell invited all faculty and students to join UBA to bring for transformational change in the villages. The UBA cell of the Institute successfully completed the village survey and household survey activity in adopted villages.

## 14. YOGA DAY “Yoga@Home and Yoga with Family”

Government is supporting the initiatives by promoting the theme, Yoga at Home, Yoga with Family, as a part of the activities in the run up to the International Yoga Day Celebration on June 21. Yoga at Home, Yoga with Family, theme has already been adopted by numerous institutions and individuals across the country. This year's observance of International Day of Yoga will aim to highlight the health-building and stress-relieving aspects of Yoga. In light of this, Ministry of AYUSH has also organised a trainer-led Yoga session which will be telecasted on Doordarshan on 21 June at 6:30 in the morning. National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha celebrated International Yoga Day on 21st June, 2020 at 7.00 am to 7.45 am. The common Yoga protocol were performed individually or with family within the confines of their home on 21st June, 2020 at 7.00 am to 7.45 am. This year International Yoga Day observed on theme “Yoga@Home and Yoga with Family”. The students participated in Yoga Day celebration and submitted photo and recordings of their Yoga performance at home to NSS programme officer Dr. N. A. Karande.

## **15. TREE PLANTATION**

As if the logistical challenges of planting millions of trees were not enough, add into the mix a global public health crisis, unlike anything the world has seen in generations. The Coronavirus pandemic (COVID-19) has taken an immense toll on the lives and well-being of many and created unprecedented challenges to on-the-ground forestry and conservation efforts. The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education and Wardha organized "Tree Plantation" programme on 12th July 2020 in the college premises. It was attended by Dr. R. O. Ganjiwale, Principal; Dr. N. A. Karande, NSS Programme Coordinator; and NSS student volunteers. Under the Guidance of Asst. Prof. Dr. N. A. Karande, NSS Program Coordinator, NSS volunteers planted trees.

## **16. BLOOD DONATION CAMP**

The history of voluntary blood donation in India dates back to 1942 during the second world war when blood donors were required to help the wounded soldiers. The first blood bank was established in Kolkata, West Bengal in March 1942 at the All India Institute of Hygiene and Public Health and was managed by the Red Cross. The purpose to organize a blood donation camp is to motivate people to donate blood and social works. The purpose of blood donation camp to select a suitable donor whose blood will be safe to the recipient and who himself shall not in any way be harmed by blood donation. The National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha organized blood donation and blood group detection camp on 1<sup>st</sup> Jan, 2021. Dr. R. O. Ganjiwale, Principal inaugurated the Blood Donation Camp at 10.30 am. Team of experts from Blood Bank, General Hospital Wardha was present on the occasion. Programme was conducted under the banner of NSS regular activities.

**17. NATIONAL SAFETY DAY**

National Safety day is celebrated on March 4th every year to propagate and create awareness among the general public about the various safety measures and hygienic measures that people need to inculcate in their lifestyle. Initially, the campaign started as a single-day celebration on March 4, but now the celebration has spread over a week from March 4-10. The National Safety Week is observed to highlight the importance of Safety in all spheres of life to prevent accidents due to a lack of awareness or lack of attention at various times of our lives. The National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha organized National Safety Day. On the occasion Dr. R. O. Ganjiwale, Principal was President of the programme, Mr. Charan Gawande, Executive Engineer, Maharashtra State Electricity Distribution Company Limited, Borgaon(Meghe), Wardha invited as chief guest for the program. The chief guest Mr. Charan Gawande delivered seminar on how to take safety precautions when working with electricity in daily life. Students of B. Pharm and M. Pharm participated in National Safety Day.

**18. CAMP FOR COVID-19**

**(RTPCR & RAPID ANTIGEN TEST)**

Coronavirus disease (COVID-19) is an infectious disease caused by a newly discovered coronavirus. Most people infected with the COVID-19 virus will experience mild to moderate respiratory illness and recover without requiring special treatment. Older people, and those with underlying medical problems like cardiovascular disease, diabetes, chronic respiratory disease, and cancer are more likely to develop serious illness. The best way to prevent and slow down transmission is to be well informed about the COVID-19 virus, the disease it causes and how it spreads. Protect yourself and others from infection by washing your hands or using an alcohol based rub frequently and not touching your face. The National Service Scheme (NSS) unit of the Institute organize camp for Covid-19 (RTPCR and Rapid antigen test) on 1<sup>st</sup> April 2021 at 11.30 am. For the camp a team of Community Health officer, Borgaon(Meghe), Wardha visited to institute. The villagers from adopted under Unnat Bharat Abhiyan (UBA) Borgaon(Meghe), Inzapur, Sawangi(Meghe), Nalwadi and Warud participated in camp. On the day of camp RTPCR and rapid antigen test of villagers performed.

### **19. UNNAT BHARAT ABHIYAN (UBA)**

The conceptualization of Unnat Bharat Abhiyan started with the initiative of a group of dedicated faculty members of Indian Institute of Technology (IIT) Delhi working for long in the area of rural development and appropriate technology. The concept was nurtured through wide consultation with the representatives of a number of technical institutions, Rural Technology Action Group (RuTAG) coordinators, voluntary organizations and government agencies, actively involved in rural development work, during a National workshop held at IIT Delhi in September, 2014. The workshop was sponsored by Council for Advancement of People's Action and Rural Technology (CAPART), Ministry of Rural Development, Govt. of India. The program was formally launched by the Ministry of Education (MoE) (formerly Ministry Human Resource Development (MHRD)) in presence of the President of India on 11th November, 2014.

Unnat Bharat Abhiyan is inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an Inclusive India. The Mission of Unnat Bharat Abhiyan is to enable higher educational institutions to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth. It also aims to create a virtuous cycle between society and an inclusive academic system by providing knowledge and practices for emerging professions and to upgrade the capabilities of both the public and the private sectors in responding to the development needs of rural India.

Unnat Bharat Abhiyan (UBA), a flagship programme of Ministry of Human Resource Development (MHRD), Govt. of India. Higher educational institutions (HEIs) of the country adopt villages for their development. Faculty and students to be involved in village development plan in collaboration with district administration. Institute of Pharmaceutical Education & Research, Borgaon(Meghe), Wardha participated in UBA and adopted 5 villages [Borgaon, Warud, Nalwadi, Inzapur, Sawangi(Meghe)] for their development in collaboration with district administration. Institute, UBA cell invited all faculty and students to join UBA to bring for transformational change in the villages. The UBA cell of the Institute successfully completed the village survey and household survey activity in adopted villages.

## **20. AWARENESS PROGRAMME COVID 19**

Coronavirus disease 2019 (COVID-19) is a contagious disease caused by severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2). The first case was identified in Wuhan, China, in December 2019. The disease has since spread worldwide, leading to an ongoing pandemic. Symptoms of COVID-19 are variable, but often include fever, cough, fatigue, breathing difficulties, and loss of smell and taste. The National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha stand for and with people, no matter even if it is a pandemic, our motto allows us to help people in every manner possible. Since, NSS couldn't reach out to vulnerable people physically, we changed our way of approaching and sensitising. Our major way to do so was through our social media platforms, NSS SVC started multiple campaigns to educate, normalise and help different audience on social media platforms. Our students provide food kits to poor and needy people in wardha district. The work is appreciated by district collector of wardha and he appraised to our students of NSS Mr. Sumit Kolte by providing certificate of appraiciation. Students of B. Pharm and M. Pharm participated in Awareness Programme Covid 19.

## **22. MEDICAL EXAMINATION CAMP**

Medical camps provide free medical advice, medicine to the unfortunate people and refer for specialized treatment or surgery whenever it is required. These camps make sure people are getting healthcare at the right time, and seeing the doctor early enough before a small health problem turns serious. The National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha organized Medical examination camp of students on 11th March 2020. Dr. R. O. Ganjiwale, Principal was the president of programme. Dr. Sanket Shelke, Dr. Manish Chavan, Dr. Pranjali Dukare, Dr. Sweta Kamble alongwith team of experts from Vinoba Bhave Ayurvedic College and Research Centre Salod(Hirapur), Sawangi(Meghe), Wardha was present on the occasion. Students of B. Pharm and M. Pharm participated in Medical Examination Camp.

## **23. TREE PLANTATION**

**“It's time to protect mother nature”**

Trees greatly benefit the people living around them by having a positive impact on mental health and wellbeing, reducing stress and encouraging outdoor exercise. This is in addition to the benefits they will receive from an improved environmental quality and improved amenity which comes with planted areas. The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education and Wardha organized “Tree Plantation” programme on 11th July 2019 in the college premises. It was attended by Dr. R. O. Ganjiwale, Principal; Dr. N. A. Karande, NSS Programme Coordinator; and more than 100 student volunteers. Under the Guidance of Asst. Prof. Dr. N. A. Karande, NSS Program Coordinator, NSS volunteers planted trees.

**24. YOGA DAY**

Yoga is an old discipline from India. It is both spiritual and physical. Yoga uses breathing techniques, exercise and meditation. It helps to improve health and happiness. Yoga is the Sanskrit word for union. Patanjali was a pioneer of classical yoga. He defined yoga as "the cessation of the modification of the mind" (stopping changing the mind). A person doing yoga will move from one posture (called asana) to another. For example, the "sun-salutation" contains 12 poses of asanas, one after the other, and is said to help balance body and soul. There is a specific mantra for each asana. The "sun-salutation" is popularly known as "Suryanamaskar". National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha organized Yoga Day dated on 21st June 2019. The teaching and non-teaching staff of the institute and students participated in Yoga day program.

**INSTITUTE OF PHARMACEUTICAL EDUCATION AND RESEARCH**  
**Borgaon (Meghe), Wardha (M.S.)**

**25. CONSTITUTION DAY**

Constitution Day (or Samvidhan Divas), also known as National Law Day, is celebrated in India on 26 November every year to commemorate the adoption of the Constitution of India. On 26 November 1949, the Constituent Assembly of India adopted the Constitution of India, and it came into effect on 26 January 1950. The Government of India declared 26 November as Constitution Day on 19 November 2015 by a gazette notification. The Prime Minister of India Narendra Modi made the declaration on 11 October 2015 while laying the foundation stone of the B. R. Ambedkar's Statue of Equality memorial in Mumbai. The year of 2015 was the 125th birth anniversary of Ambedkar, who had chaired the drafting committee of the Constituent Assembly and played a pivotal role in the drafting of the constitution. Previously this day was celebrated as Law Day. 26 November was chosen to spread the importance of the constitution and to spread thoughts and ideas of Ambedkar.

The National Service Scheme (NSS) unit of IPER Organized "Constitution Day" dated on 26th Nov 2019. The live telecast of the parliament session was arranged on on 26th Nov 2019 at 11.00 am and students was involved in the activity.

## **Extension Activities [2018-19]**

### **26. BLOOD DONATION CAMP**

Human blood is an essential element of human life with no substitute. Voluntary blood donors are the cornerstone of a safe and adequate supply of blood and blood products. The safest blood donors are voluntary, non-remunerated blood donors from low-risk populations. Blood donors in India, as across the globe, are of three types; voluntary donors, replacement donors and professional donors. Most donations are as a result of replacement donations, which are non-remunerated donations, provided by the relatives of patients. The success of blood donation camp depends on people who organize the camp and blood bank team. The National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha organized blood donation and blood group detection camp on 1<sup>st</sup> Jan, 2019 at 10.30 am on account of New Year celebration. A team of expert from Jawaharlal Nehru Medical College, Sawangi(Meghe), Wardha visited to institute. Student volunteers of NSS and the other students and teachers actively participate in this program. The students of the institute donate blood on the occasion.

## 28. TREE PLANTATION

Every man need the oxygen for their life and Trees are the foremost source of oxygen as well trees helps to reduce the level of CO<sub>2</sub>. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees has become one of the most important today's aspects. The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education and Wardha organized "Tree Plantation" programme on 16th July 2018 in the college premises. It was attended by Dr. R. O. Ganjiwale, Principal; Dr. N. A. Karande, NSS Programme Coordinator; and more than 120 student volunteers. Under the Guidance of Asst. Prof. Dr. N. A. Karande, NSS Program Coordinator, NSS volunteers planted trees. The students also placed bricks as barricades and each student took the responsibility to nourish and maintain the allocated plant. Eventually, the ground attained a glorious look. The committee decided to proceed with the same inspiration, enthusiasm and zeal to enhance the beauty of the college campus.

**31. POSTER COMPETITION ON TOPIC “AWARENESS**  
**ON SCRUB TYPHUS”**

Scrub typhus is a mite-borne infection caused by *Orientia tsutsugamushi*. The disease is transmitted to humans through the bites of larvae of different species of trombiculid mites, appearing commonly in the autumn season. Rodents provide a disease reservoir whereas mites act as a reservoir and a disease vector. Clinical features at presentation range from non-specific flu-like symptoms such as fever, rash, an eschar at the bite site, headache, myalgia, and cough to severe systemic, life-threatening conditions involving the lungs, heart, liver, skin, central nervous system, and gastrointestinal tract. Furthermore, it has been reported that inappropriately or untreated scrub typhus has a mortality rate of at least 30%. The National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha organized Poster competition on topic “Awareness on Scrub Typhus” was organized on 25th September 2018. Students of B. Pharm and M. Pharm participated in Poster Competition.

ON

**“PHARMACIST: YOUR MEDICINE EXPERT”**

The National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha celebrated World Pharmacist day and 57th National Pharmacy week 25th September, 2018 at Borgaon(Meghe), Wardha. The theme for Pharmacist day was “PHARMACIST: YOUR MEDICINES EXPERT”. The major focus of Pharmacist day celebration was on highlighting the role and importance of pharmacist in hospitals and community. The theme for the national pharmacy week was “PHARMACIST FOR HEALTHY INDIA,” mainly focusing on creating awareness on the role of pharmacists and their importance in improving the health of public along with physician and nurses as a team in both hospital and community. On this occasion Pharma Rally was organized the theme “Pharmacist: Your medicine expert” on the eve of World Pharmacist Week to promote the role of pharmacist in the Health Care System among the rural population. Students and many staff members participated in the rally. The rally was flagged by renowned ophthalmologist of wardha Dr. Vinod Adhalakhiya.

## Extension Activities [2017-18]

### 33. PERSONALITY DEVELOPMENT CAMP

It is our personality that makes us who we are, but how exactly do our personalities form? Personality development has been a major topic of interest for some of the most prominent thinkers in psychology. Since the inception of psychology as a separate science, researchers have proposed a variety of ideas to explain how and why personality develops. Personality development refers to how the organized patterns of behaviour that make up each person's unique personality emerge over time. Many factors go into influencing personality, including genetics, environment, parenting, and societal variables. Perhaps most importantly, it is the ongoing interaction of all of these influences that continue to shape personality over time. The National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha organized Personality Development Camp in association with Young Inspiration Network Team of daily Newspaper "Sakal" was organized on 27th Feb 2018. Mr. Sumit Urkudkar of "Sakal" group was the speaker. Students of B. Pharm and M. Pharm attended the programme.

## स्वतःमध्ये सकारात्मक ऊर्जा निर्माण करा

### सुमित उरकुडकर : 'आयपर'मध्ये यिन संवाद

वर्धा, ता. ४ : विद्यार्थ्यांनी स्वतःला कमी लेखू नये. नेहमी आशावादी असायला हवे. आयुष्यात कधीही नकारात्मक होऊ नका, स्वतःमध्ये सकारात्मक ऊर्जा निर्माण करा, आयुष्यात नक्कीच ध्येयाप्रत पोहोचाल, असा मूलमंत्र प्रेरणादायी वक्ते सुमित उरकुडकर यांनी दिला.

वोरगाव (मेघे) येथील औषधनिर्माणशास्त्र संस्था, आयपर फार्मसी महाविद्यालयात सकाळ माध्यम समूहाच्या यंग इन्स्पिरेटर्स नेटवर्क 'यिन'तर्फे आयोजित संवाद कार्यक्रमात ते विद्यार्थ्यांना मार्गदर्शन करीत होते.

यावेळी महाविद्यालयाचे प्राचार्य

**YOUNG  
INSPIRATORS  
NETWORK**  
Inspire. Network. Deliver

आर. ओ. गंजीवाले, यिन समन्वयिका मीनाक्षी रामटेके, यिन पालकमंत्री आशीष कावळे, मोहित सहारे, शुभम गोटे प्रामुख्याने उपस्थित होते.

श्री. उरकुडकर म्हणाले, स्वतःविषयी वाईट ऐकण्याची क्षमता असली पाहिजे. नकारात्मकतेमुळे आयुष्यात नैराश्य येते. ज्यांनी आपल्या आयुष्यात कधीच काही केले नाही, अशा लोकांच्या हातात तुम्ही आपले कंट्रोल सिस्टिम देऊन ठेवले आहे.

सकारात्मक विचार करण्याची क्षमता स्वतःमध्ये विकसित करा, असे ते म्हणाले. कार्यक्रमाच्या आयोजनाकरिता प्रा. एन. ए. करंडे, डॉ. ललित राठी, डॉ. सुनील देवानी, प्रा. साधना गौतम, प्रा. गिरीश दहीकर, अक्षय राऊत, अमित कुहीकर व यिनच्या सदस्यांनी सहकार्य केले.

### **34. MEDICAL EXAMINATION CAMP**

Medical Examination Camps provide free medical advice, medicine to the unfortunate people and refer for specialized treatment or surgery whenever it is required. These camps make sure people are getting healthcare at the right time, and seeing the doctor early enough before a small health problem turns serious. The National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha organized Medical examination camp of studets was organized on 16th March 2018. Dr. R. O. Ganjiwale, Princpal was the president of programme. Dr. Anita Wanjari, Dr. Dipak Garde alogwith team of experts from Vinoba Bhave Ayurvedic College and Research Centre Salod(Hirapur), Sawangi(Meghe), Wardha was present on the occasion. Students of B. Pharm and M. Pharm was the beneficiary of this Medical Examination Camp.

## **35. BLOOD DONATION CAMP**

Voluntary blood donation programs recruitment and retention are about people and community, about understanding them, capturing their interest and influencing their behaviour. The main communicating task for both blood donor recruitment and retention should be geared towards getting public understanding about the importance and triggering a response for action. Once a blood donor motivator raises awareness, he or she must motivate and persuade people to donate blood. If the camps are held in a relaxed manner, it can be an enjoyable pleasant experience for all concerned. All over the world, most blood from voluntary blood donors is collected from outdoor camps in rural and urban areas. The National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha organized blood donation and blood group detection camp on 1st Jan, 2018 at 10.30 am on account of New Year celebration. A team of expert from Jawaharlal Nehru Medical College, Sawangi(Meghe), Wardha visited to institute. Student volunteers of NSS and the other students and teachers actively participate in this program.

**36. SWACHATA JANJAGARAN RALLY AND**  
**SAMUHIK SHAPATH**

Swachh Bharat Mission (SBM), Swachh Bharat Abhiyan, or Clean India Mission is a country-wide campaign initiated by the Government of India in 2014 to eliminate open defecation and improve solid waste management. Phase 1 of the mission lasted till October 2019. Phase 2 will be implemented between 2020–21 and 2024-25.

NSS unit of IPER has participated in “Swachata Janjagaran Rally and Samuhik Shapath” organized on 20th January 2018 at Lokmahavidyalaya in Collaboration with Municipal Corporation Wardha and students participated in the programme.

## **37. AWARENESS PROGRAM ON SEXUAL HARASSMENT OF WOMENS AT WORKPLACE**

Many employers, trade unions, and NGOs include awareness-raising and information, and run campaigns to end violence and harassment against women in the world of work, as part of an integrated strategy to end violence and harassment against women. In isolation, awareness-raising is not always effective, but it can form an important part of combined strategies linked to prevention. The National Service Scheme (NSS) unit in association with Women Security Cell of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha organized Awareness Program on Harassment of Womens at Work Place on 20th Feb, 2017. Student of Institute attended the program.

**38. YOGA DAY**

Yoga incorporates breathing exercises, meditation and poses designed to encourage relaxation and reduce stress. Practicing yoga is said to come with many benefits for both mental and physical health. There is no doubt about the importance of Yoga for students. With today's lifestyle, People tend to forget about their physical and mental health accumulating stress and fatigue in the body. NSS unit of IPER along with teaching and nonteaching staff organized Yoga Day dated on 21<sup>st</sup> June 2017 in the open air theatre of the institute. Student volunteers of NSS and the other students and teachers actively participate in this program. The online data and photographs for the same submitted to government websites. Students of B. Pharm and M. Pharm participated in Yoga Day.

### 39. TREE PLANTATION

Tree-planting is the process of transplanting tree seedlings, generally for forestry, land reclamation, or landscaping purpose. It differs from the transplantation of larger trees in arboriculture, and from the lower cost but slower and less reliable distribution of tree seeds. Trees contribute to their environment over long periods of time by providing oxygen, improving air quality, climate amelioration, conserving water, preserving soil, and supporting wildlife. During the process of photosynthesis, trees take in carbon dioxide and produce the oxygen we breathe. The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education and Wardha organized "Tree Plantation" programme on 9th July 2017 in the college premises. It was attended by Dr. R. O. Ganjiwale, Principal; Dr. N. A. Karande, NSS Programme Coordinator; and student volunteers. Under the Guidance of Asst. Prof. Dr. N. A. Karande, NSS Program Coordinator, NSS volunteers planted trees.
