NATIONAL SERVICE SCHEME (NSS)

REPORT ON ACTIVITIES CONDUCTED

2017-18

The National Service Scheme (NSS) is an Indian government-sponsored flagship for public service program conducted by the Ministry of Youth Affairs and Sports of the Government of India. Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year in 1969. Aimed at developing student's personality through community service, NSS is a voluntary association of young people in Colleges and Universities. In session 2017-18, NSS unit of college has registered 100 students from different classes and category as per the letter (Ref. No.: NSS/2017-18/45 dated on 10.08.2017) and guidelines received from Vice Chancellor and President of National Service Scheme of Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur. The list of 100 students along with details like E-mail and mobile numbers of registered students submitted to university via mail to nsscellrtmnu@gmail.com. Further, National Service Scheme (NSS) Advisory Committee was constituted to monitor National Service Scheme(NSS)

PERSONALITY DEVELOPMENT CAMP

It is our personality that makes us who we are, but how exactly do our personalities form? Personality development has been a major topic of interest for some of the most prominent thinkers in psychology. Since the inception of psychology as a separate science, researchers have proposed a variety of ideas to explain how and why personality develops. Personality development refers to how the organized patterns of behavior that make up each person's unique personality emerge over time. Many factors go into influencing personality, including genetics, environment, parenting, and societal variables. Perhaps most importantly, it is the ongoing interaction of all of these influences that continue to shape personality over time.

The National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha organized Personality Development Camp in association with Young Inspiration Network Team of daily Newspaper “Sakal” was organized on 27th Feb 2018. Mr. Sumit Urkudkar of “Sakal” group was the speaker. About 250 students attended the programme.

BLOOD DONATION CAMP

Voluntary blood donation programs recruitment and retention are about people and community, about understanding them, capturing their interest and influencing their behaviour. The main communicating task for both blood donor recruitment and retention should be geared towards getting public understanding about the importance and triggering a response for action. Once a blood donor motivator raises awareness, he or she must motivate and persuade people to donate blood. If the camps are held in a relaxed manner, it can be an enjoyable pleasant experience for all concerned. All over the world, most blood from voluntary blood donors is collected from outdoor camps in rural and urban areas.

The National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha organized blood donation and blood group detection camp on 1st Jan, 2018 at 10.30 am on account of New Year celebration. A team of expert from Jawaharlal Nehru Medical College, Sawangi(Meghe), Wardha visited to institute. 23 Student volunteers of NSS and the other students and teachers actively participate in this program.

AWARENESS PROGRAM ON SEXUAL HARASSMENT OF WOMENS AT WORKPLACE

Many employers, trade unions, and NGOs include awareness-raising and information, and run campaigns to end violence and harassment against women in the world of work, as part of an integrated strategy to end violence and harassment against women. In isolation, awareness-raising is not always effective, but it can form an important part of combined strategies linked to prevention.

The National Service Scheme (NSS) unit in association with Women Security Cell of Institute of Pharmaceutical Education and Research, Borgaon (Meghe), Wardha organized Awareness Program on Harassment of Women's at Work Place on 20th Feb, 2017. About 150 Student of Institute attended the program.

YOGA DAY

Yoga incorporates breathing exercises, meditation and poses designed to encourage relaxation and reduce stress. Practicing yoga is said to come with many benefits for both mental and physical health. There is no doubt about the importance of Yoga for students. With today's lifestyle, People tend to forget about their physical and mental health accumulating stress and fatigue in the body.

NSS unit of IPER along with teaching and nonteaching staff organized Yoga Day dated on 21st June 2017 in the open air theatre of the institute. Student volunteers of NSS and the other students and teachers actively participate in this program. The online data and photographs for the same submitted to government websites. About 220 students participated in Yoga Day.

TREE PLANTATION

Tree-planting is the process of transplanting tree seedlings, generally for forestry, land reclamation, or landscaping purpose. It differs from the transplantation of larger trees in arboriculture, and from the lower cost but slower and less reliable distribution of tree seeds. Trees contribute to their environment over long periods of time by providing oxygen, improving air quality, climate amelioration, conserving water, preserving soil, and supporting wildlife. During the process of photosynthesis, trees take in carbon dioxide and produce the oxygen we breathe.

The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education and Wardha organized “Tree Plantation” programme on 9th July 2017 in the college premises. It was attended by Dr. R. O. Ganjiwale, Principal; Dr. N. A. Karande, NSS Programme Coordinator; and 120 student volunteers. Under the Guidance of Asst. Prof. Dr. N. A. Karande, NSS Program Coordinator, NSS volunteers planted trees.
