Seminar on "Publish or Perish: The art of scientific writing"

A seminar on "Publish or Perish: The art of scientific writing" was conducted on 13th December 2021, under the ISTE Chapter, by Mr. S. P. Dewani, at 2.30 pm. Around 60 students from UG and PG course were present for the seminar. The students were made aware of the importance of publication in their career. Various writing tools were introduced to the students. Meaning of impact factor graded to the scientific journals was explained. The students were highlighted various steps to be followed for effective and flawless scientific publication. The students were also made aware of various citation tools required during the course of publication. A brief idea on various online citation tools was also provided to the students.

Sessions on Personality and skill development by Dr. Akanksha Gupta

Various sessions for improving the overall personality and skill development were conducted for B. Pharm Final year students. The sessions were conducted between 23rd December 2019 to 15th January 2020. Around 84 students attended these sessions. The sessions were intended to provide knowledge about how to develop the personality that can be employed to build up confidence. A strong confidence will surely help the students to make them compete in the corporate sector. Alone personality may not all the time be helpful, but coupled with proper skills the students will surely find themselves at a better place. The sessions included knowledge about leadership skills, time management, resume writing, and creative writing skills. The students were satisfied with these sessions.

Guest lecture on “Get selected at the job interview” by Dr. Akanksha Gupta

Guest lecture under the ISTE student chapter was organized on the topic “Get selected at the job interview” on 30th August 2019, by Dr. Akanksha Gupta. Around 100 students from UG and PG course attended the guest lecture.

Dr. Akanksha Gupta, as a resource person guided the students on how to prepare an effective resume when applying for a job. She made the students aware on various types of resume and also the basic difference between resume, biodata and CV. According to Dr. Gupta, an interview starts with an effective resume. She made the students aware about their body language when going for an interview. She gave several tips on how their body language could be eased to influence the interviewers. She highlighted the importance of proper dressing that may make the selection favourable. She also discussed several prominent questions that are normally asked during the interview. She demonstrated practically several tips could be useful for cracking the interviews.

The guest lecture ended with interactive question and answer session with the students, followed by vote of thanks given by Mr. S. P. Dewani.

Dear Sir

As discussed with you by our Nagpur based Area Business Manager Mr. Manoj Dhote, we would like to conduct the drive on 11th July 2018 from 9.30 a.m. onwards.

Please find enclosed the job description of the position for which we will be conducting the drive. Interested students who meet the specified criteria may be advised to be present for the process on 11th July 18. We would request you to let us know the number of students who will be available for the drive.

Please note that we would require an LCD Projector + Sound System + Mike to make a presentation to the Students before we start the process in your College Auditorium. Please make necessary arrangements for the same.

Should you need any further clarifications, please feel free to contact.

Thanks and regards,

About I.P.E.R.

IPER is one of the pioneering pharmacy institutes in India, established in 1991, and has been accredited "Grade A" by NAAC. It imparts quality pharmaceutical education leading to Degree, Post-graduate and Doctorate courses in pharmaceutical Sciences. Around 400 students from all corners of India are studying in the institute. A beautiful campus of institute is sprouted in area of 5 acres. Well equipped laboratories, rich library, qualified and experienced staff and high academic standard have made the institute one of the premier institutes in central India.

IPER is located on its own land with its fine infrastructure at Borgaon (Meghe), which is only 2 Kms away from Wardha Railway and Bus station. Wardha is 75 Kms from Nagpur and is well connected by Railway and Road. Wardha city has historical background. The great apostle of peace, torch bearer of humanity and the Father of the Nation Mahatma Gandhi stayed at Sewagram which is 6 Kms away from Wardha. The village of Saint Vinoba, Pawnar is 8 Kms from Wardha.

Write and Scribe Solution's Scientific Writing Workshop

Science progresses through writing, from early brainstorming ideas to the publication. Given how critical it is for scientist to have strong writing skills, it seems paradoxical that the teaching of writing is not central to science education. Certainly, some science instructors teach writing in their courses, but many bemoan the poor writing skills of college graduates.

Through the workshop the researchers will be provided the best opportunities to learn to write like a scientist a major research paper or thesis after participating in a faculty-mentored research experience.

Focusing on the interplay between writing and research, **Write and Scribe Solution's** Scientific writing workshop will help students to develop the skills that they will need to manage and write up their thesis project.

The workshop will make the participants able to answer following questions

1. Is the writing appropriate for the target audience?

2. Does the thesis make a compelling argument for the significance of the student's research within the context of the current literature?
3. Does the thesis clearly articulate the student's research goals?
4. Does the thesis skillfully interpret the results?
5. Is there a compelling discussion of the implications of findings?
6. Is the thesis clearly organized?
7. Is the thesis free of writing errors?
8. Are the citations presented consistently and professionally throughout the text and the list of works cited?
9. Are the tables and figures clear, effective and informative?
10. Is the work free from plagiarism? And how to prevent plagiarism.
