## Report

### SWACHHATA PAKHWADA

The Swachhta Pakhwada launched by Government of India, is a fortnight-long program observed to ensure mass participation of citizens in Swachhta activities and to truly transform Swachh Bharat into a citizen's movement. "Swachhata Pakhwada" as a part of "Swachhta Abhiyan" was initiated, with the objective of bringing a fortnight of intense focus on the issues and practices of Swachhata-meaning Cleanliness.

To support this great initiative of GoI and to create an awareness about the need of cleanliness, National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education and Wardha celebrated "Swachhata Pakhwada" dated from 1<sup>st</sup> to 15<sup>th</sup> August. **The common protocol was performed individually at home. Further students made the slogans/posters on the theme like Catch the rain (Water Conservation), Green Village-Clean Village & Ban on single use plastic.** Around 106 Students participated in the activity.

## REPORT

Since the world is corrupted with pollution and toxic amount of materials, making it sustainable can be a good call. Going eco-friendly also improves our quality of life in terms of mortality, age, diseases etc. We might have a better shot at living a quality life with health if we chose to go eco-friendly.

The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education Wardha organized Eco-Friendly Ganesh Visarjan dated on 17.09.2021 in association with Vaidyakiya Janjagruti Manch, Wardha. More than 107 students participated in the activity.

## REPORT

### [THEME: BANNED PLASTIC]

The importance of Swachh Bharat Abhiyan was linked to the economy and health of the country by the prime minister by providing a source of employment to many people and reducing health costs to a large extent.

Since the late 20th century, we have depended on plastic as an affordable, versatile and durable material. However, since the majority of plastic materials take centuries to degrade, all of the plastic that has been sent to landfills in the UK still exists and yet we're still producing and consuming more of it. That plastic has to go somewhere, and it's frequently either dumped carelessly on land or in rivers in developing countries, before ending up in the ocean, where it threatens marine life. The fact is, we simply can't cope with the amount of plastic on our planet nor the amount that continues to be produced. For this reason, our attitudes and behaviours towards plastic must change to ensure a safe and healthy future for our planet.

The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education Wardha organized "Swachata Abhiyan" in nearby village Borgaon(Meghe), Wardha dated on 14<sup>th</sup> March 2022 at 10.30 am in association with Grampanchayat Borgaon (Meghe), Wardha. The theme for Swachata Abhiyan was "Banned Plastic" and Dr. N. A. Karande Co-ordinate the activity. Around 240 students of B. Pharm, M. Pharm participated in the activity

## Report

The Environment and Climate Change Department, Govt. of Maharashtra has taken up a holistic initiative, Majhi Vasundhara (My Earth), to make citizen aware of the impacts of climate change and environmental issues and to encourage them to make a conscious effort towards the improvement of the environment. This initiative will also support the state in the implementation of climate change mitigation and adaptation measures. It is a unique integrated first-ever exercise in India by the department, focusing on all five elements of nature i.e. “Panchamahabhuta” comprises Bhumi (Earth), Jala (Water), Vayu (Air), Agni (Energy), Akash (Enhancement) to ensure sustainable development for the state. The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education and Wardha organized Tree Platation program under “Mazi Vasundhara Abhiyan” of government of Maharashtra on 2nd September, 2021 at 4.00 pm. Tree plantation was carried out outside the institute premises. About 106 students had participated in the activity.
