NATIONAL SERVICE SCHEME (NSS)

**REPORT OF ACTIVITIES CONDUCTED IN
2016-17**

The National Service Scheme (NSS) is an Indian government-sponsored flagship for public service program conducted by the Ministry of Youth Affairs and Sports of the Government of India. Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year in 1969. Aimed at developing student's personality through community service, NSS is a voluntary association of young people in Colleges and Universities. In session 2016-17, NSS unit of college has registered 100 students from different classes and category as per the letter (Ref. No.: NSS/127/2016-17 dated on 24.10.2016) and guidelines received from Vice Chancellor and President of National Service Scheme of Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur. The list of 100 students along with details like E-mail and mobile numbers of registered students submitted to university via mail to nsscellrtmnu@gmail.com. Further, National Service Scheme (NSS) Advisory Committee was constituted to monitor National Service Scheme(NSS) activities in Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha. The members of National Service Scheme (NSS) Advisory Committee are as follows, Dr. R. O. Ganjiwale, President; Dr. S. J. Dighade, NSS Programme officer; Mr. N. A. Karande, Assistant Programme officer; Mr. Shrikant Tapadia, Student Representative. During the session, numerous activities were conducted by NSS unit under the guidance of Principal Dr. R. O. Ganjiwale and Programme officer Dr. S. J. Dighade. The detailed report of various activities conducted in the session 2016-17 is as follows:

BLOOD DONATION CAMP

India faces a blood shortage of 3 million units. The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We need 12 million units of blood every year but just about nine million units are being donated. Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing to people at the camp our NSS volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it. Blood donation and blood group detection camp was organized on 1st Jan 2017. Dr. R. O. Ganjiwale, Principal was the president of programme. Team of experts from Datta Meghe Institute of Medical Sciences, Sawangi(Meghe), Wardha was present on the occasion. About 23 students of the institute donated blood. Programme was conducted under the banner of NSS regular activities. Dr. Sunil C. Chawre was Camp In-charge for Blood Bank J.N.M.C. Sawangi(Meghe).

MEDICAL EXAMINATION CAMP

Intending to spread wellness and bring awareness among the people at large, free medical camps are gaining importance across the globe. Those who don't have any direct or indirect access to an expert or even basic healthcare services or even don't know how to connect with doctors, what diseases can clutch them and all about their treatments & diagnosis, these camps are proving really a great purpose for them. It consists of free medical advice, check-ups, reference to specialists, medicines, treatment and everything that can make patients' life even better and satisfied. These camps ensure that people are attaining the right services at the right time so that the patients don't suffer the issue or don't let it become worse or incurable. The National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon(Meghe), Wardha organized Medical examination camp of studets was organized on 18th Jan 2017. Dr. R. O. Ganjiwale, Principal was the president of programme. Dr. Anita Wanjari, Dr. Dipak Garde alogwith team of experts from Vinoba Bhave Ayurvedic College and Research Centre Salod(Hirapur), Sawangi(Meghe), Wardha was present on the occasion.

YOGA DAY

Yoga is an ancient physical, mental and spiritual practice that originated in India. The word 'yoga' derives from Sanskrit and means to join or to unite, symbolizing the union of body and consciousness. Today it is practiced in various forms around the world and continues to grow in popularity. Recognizing its universal appeal, on 11 December 2014, the United Nations proclaimed 21 June as the International Day of Yoga by resolution 69/131. The International Day of Yoga aims to raise awareness worldwide of the many benefits of practicing yoga. NSS unit of IPER along with teaching and nonteaching staff organized Yoga Day dated on 21st June 2016 in the open air theatre of the institute. Student volunteers of NSS and the other students and teachers actively participate in this program.

TREE PLANTATION

The tree plantation programme, which was announced in 2016 with the aim of planting 2 crore trees on 1st July 2016 was a resounding success with the final total reported figure of 2.82 crore saplings planted on a single day. To maintain consistency of this platform without affecting its momentum, the Forest Department has set the target of plantation of 4 crore, 13 crore and 33 crore saplings under the mission of 50 crore plantation which shall be accomplished in the three consecutive years viz. 2017, 2018 and 2019. The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education and Wardha organized “Tree Plantation” programme on 10th July 2016 in the college premises. It was attended by Dr. R. O. Ganjiwale, Principal; Dr. S. J. Dighade, NSS Programme Coordinator; and more than 100 student volunteers. Under the Guidance of Asst. Prof. Dr. S. J. Dighade, NSS Program Coordinator, NSS volunteers planted more than 100 trees.
