## YOGA DAY

2022 International Day of Yoga, to be observed today, i.e. Monday (June 21), carries the theme "Yoga for well-being", much relevant for our times in a society still recovering from the impact of the coronavirus disease (Covid-19) pandemic. The Covid-19 plight was not just a physical crisis, it also left lasting impacts on mental health, with many left in psychological suffering, depression, and anxiety dealing with the pandemic-necessitated restrictions and loss. Yoga can come to the help of people dealing with such crises, the United Nations explained on its website since the message of the practice is to promote both physical and mental health.

National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon (Meghe), Wardha celebrated International Yoga Day on 21st June, 2022 at 3.30 pm to 5.00 pm. Camp was organised in the institute in association with Patanjali Yoga Centre, Wardha. On the occasion Dr. Vandanatai Ughade (Senior Yoga Teacher) and Ms. Radhatai Ghatole (Yoga teacher), Patanjali demonstrated the different Yoga Positions. The camp was attended by 100 students of B. Pharm and M. Pharm, teaching and non-teaching staff of the institute.

### Seminar on "Working on Referencing Software-Mendeley" on 29<sup>th</sup> June 2022

A seminar on "Working on referencing software-Mendeley" was conducted for M. Pharm II students under the ISTE Students Chapter, on 29<sup>th</sup> June 2022 by Mr. S. P. Dewani. The seminar was intended to provide knowledge about the referencing and citation tool to the M. Pharm students, so that referencing becomes easier during their next semester of dissertation. The students were made aware about various online tools used for referencing, of which they were trained on using Mendeley. The seminar sequentially highlighted various steps on using Mendeley. Various aspects of creating account, and using the software in online and offline mode were revealed to the students. Almost all the options were discussed with the students so that the software Mendeley becomes handy to the students during their thesis writing. Use and applications of various search string available in Pubmed database were also shown to the students, so that they could effectively search the Pubmed database. The seminar was concluded with question-and-answer session. Twenty-one students were present for the seminar.
