

Action plan of Gender sensitization cell 2021-22

In 2021-22 year, GSC held first meeting on dated 12/07/2021 and Second meeting on 12/03/2022. In both the meetings the committee members discussed about that there is no registered complaint based on gender sensitization. In 2020-2021 year committee held seminar on occasion of International Women's day and Savitribai Phule Memorial day and this year committee decided to conduct Webinar and seminars on Gender sensitization and equality. In the meeting arranged by GSC all members discussed about arrangement of activities which will be helpful to students to stop discrimination on the basis of gender and also decided to arrange seminar and workshop on gender equality among students in the institute.
