Borgaon (M), Wardha.

Sub- Application for FTIR analysis

22

Respected Sir,

Myself Anita Wanjari , PhD scholar pursuing my PhD under the supervision of Dr. Bharat Rathi from Mahatma Gandhi Ayurved College , Hospital & Research Centre ,Wardha .For my study the formulations are prepared with zinc metal as a base and processed with herbs . So, I want to know the functional groups and their relative in the formulations. For that reason I want to go for FTIR analysis. There are five samples and I will pay the charges for the same. Kindly do needful.

Thanks with Regards.

Anita
