Subject – Regarding determination of particle size of formulation of microemulsion

Dear sir,

With reference to above used subject, I Dr. M. A.Channawar wish to say that, one of my student Vishnudas K. Lokhande is working on formulation development of microemulsion so as a part of evaluation, he want to determine particle size of microemulsion formulation. So here with, I am sending the sample of microemulsion for determination of particle size.

You are kindly requested to evaluate the sample.
