Institute of Pharmaceutical Education and Research, Wardha

Subject: Request for Antimicrobial activity analysis in your Institute laboratory

Dear Sir,

Ms. Ishika Ratnakar Askar is a student pursuing her Master's degree (MSc Chemistry) from our Institution. She has carried out some biological samples for her project work and need to carry out above mentioned analysis. Presently our Institutional instrument is out of order. It will be of great help if you permit her to get her work done as earliest.

Thank you.

Principal
