Micro-seminar and Extempore activity organized under ISTE Students Chapter, on 22nd March 2024

Micro-seminar and Extempore activity were conducted on 22nd March 2024 under the ISTE Students Chapter of IPER, at 3.00 pm in Room no. 112. The activity was conducted to develop communication skill and vocabulary among the students. The students opted for the topics of their choice in the microseminar. The topics for extempore were given them at the moment, following 5 minutes time for preparation and then the students were asked to deliver their short talk on the topic. The students were asked to focus on their way of talking and their body language. Overall, 24 students from B. Pharm. I and M. Pharm. I participated in the activity. Mr. S. P. Dewani co-ordinated the activity and further guided the students on how to improve their overall way of delivering their views. The students actively participated in both the activities.

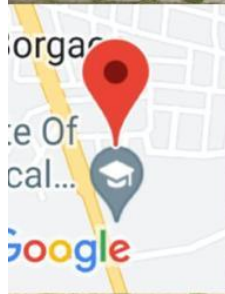

Yoga day

2023 International Day of Yoga, to be observed today, i.e. Wednesday (June 21), carries the theme "Yoga for well-being", much relevant for our times in a society still recovering from the impact of the coronavirus disease (Covid-19) pandemic. The Covid-19 plight was not just a physical crisis; it also left lasting impacts on mental health, with many left in psychological suffering, depression, and anxiety dealing with the pandemic-necessitated restrictions and loss. Yoga can come to the help of people dealing with such crises, the United Nations explained on its website since the message of the practice is to promote both physical and mental health.

National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon (Meghe), Wardha celebrated International Yoga Day on 21st June, 2023 at 4.00 pm to 5.30 pm. Camp was organised in the institute in association with Patanjali Yoga Centre, Wardha. On the occasion Mrs. Pranita tai Ghulane and Mrs. Meena tai Dhole, Patanjali demonstrated the different Yoga Positions. The camp was attended by 74 students of B. Pharm and M. Pharm, teaching and non-teaching staff of the institute.

Report of Seminar under ISTE Students Chapter, on

“How students can harness the power of AI (Artificial Intelligence)”

held on 19th August 2023

A Seminar on “How students can harness the power of AI (Artificial Intelligence)” under ISTE Students Chapter was held on 19th August 2023 in the seminar room. The seminar was intended to give the students an insight into various AI tools that could be used for their dissertation and in their future. The seminar was conducted by Mr. S. P. Dewani, Assistant Professor at IPER. The session included information about various AI tools including ChatGPT, Monica AI, Wisdolia, Scibe, paperpal.ai, Papersconnect.ai, Tome.ai, etc. These tools would be helpful to the students in writing research articles, extracting information from research papers, chatting with research papers pdf files, preparing professional presentations etc. The session was conducted for nearly 90 minutes highlighting various important AI tools. The session ended up with question-and-answer session. Around 49 students from all the PG specializations.
