Short Report

Institute of Pharmaceutical Education at Research, Borgaon (Meghe), Wardha organized 6-days Student Induction Program (SIP) for B. Pharm. First year students from 11th to 16th September 2023. The SIP at IPER is organized every year for the students admitted to B. Pharm. course. The Program was inaugurated by Dr. Rajendra Ganjiwale, Principal, IPER, in presence of Dr. Lalit Rathi, and Ms. Sadhana Gautam. Dr. Ganjiwale emphasized the role of education, human values and professional ethics during their 4-year curriculum and in their career. On the first day of the SIP, the students were made aware of the rules, regulations, system and details of the course the students are going to cover during the four-year span.

From second day onwards, Mr. Sunil Dewani made the students aware with Universal Human Values and Professional Ethics. To conclude the SIP, a field visit to the Ushahakaal Baalgruh and Shree Chhaya Baalgruha, Nalwadi, Wardha was organized. The children were donated with a kit comprised of commodities for daily use. Dr. R. O. Ganjiwale, Principal, IPER suggested the students to always extend a helping hand towards this needy section of the society. He guided and appealed the students that they should always have a sense of donating such unprivileged individuals. Around 25 students were present during the field visit. The visit was arranged as a collective effort by the students of B. Pharm. I year. Dr. Rajendra Ganjiwale, Mr. Sunil Dewani, and Ms. Prachi Gedam.
