GANESH FESTIVAL CELEBRATION 2020

The holy festival of Ganesh Chaturthi is celebrated every year with great fervour at Institute of Pharmaceutical Education & Research with hundreds of students offer their prayers. The 10-day festival is dedicated to the Lord of new beginnings, Ganesha.

This year, the celebrations for Ganesh Chaturthi began on August 22, 2020. However, the festival this year was celebrated in a much more restricted way due to the global pandemic situation. The social distancing norms were enforced to prevent staff members to celebrate the festival in the congregation.

After 10-day of festivities, the festival ends with devotees bidding adieu to the Lord by immersing his idol in water bodies (Visarjan).
